The two items I discussed with

RECOMMENDATIONS FOR THE VICE PRESIDENT'S GENERAL REMARKS CONCERNING
REP. JACK KEMP; FRIDAY, MAY 10, BUFFALO, NEW YORK

To Be Said:

- * Jack Kemp is his own man.

While Jack Kemp has supported the Administration on such vitally important issues as ---

- * Foreign policy and our national defense;
- * The New Federalism ---
 - * Decentralization of power away from Washington; and
 - * Revenue sharing

He has also opposed the Administration on such issues as ---

- * The continuance of wage and price controls;
- * The enactment of a guaranteed annual income -- the Family Assistance Plan; and
- * Impoundment of waste treatment construction funds.

- * Jack Kemp is a valuable asset for Western New Yorkers to have in the Congress.

Jack Kemp is diligent, capable, and a hardworker.

Jack Kemp has been the moving force behind ---

- * The funding of vital sewage treatment plants;
- * Mass transit for the Buffalo area -- specifically, a balanced, integrated bus-rail network for Western New York;
- * Cleanup of the Great Lakes, especially Lake Erie;
- * Year round shipping on the Great Lakes and the greater use of the Port of Buffalo;
- * An expansion of rail service - AMTRACK - from Boston to Chicago, through Buffalo;
- * Enhancing protection of the individual's right to privacy;
- * Enhanced Federal-State-local cooperation on projects and issues.

Requested Not To Be Said:

- * Please, no references to Mr. Kemp as a "team player." It is inconsistent with the image development for this year's campaign.

RECOMMENDATIONS FOR THE VICE PRESIDENT AND SECRETARY BRENNAN FOR THE
LABOR LUNCHEON; BUFFALO, MAY 10, 1974

- * Jack Kemp consistently opposed the continuation of wage and price controls.
 - * Sought outright repeal of the Economic Stabilization Act, instead of just letting it expire.
 - * Sought, during the period of the Act, the specific removal of controls by COL, especially in the areas of petrochemicals, chemicals, coal and metals, building materials, etc.
- * Jack Kemp has fought strongly against inflation and its effects on the working man.
 - * Sought elimination of wage and price controls, as indicated.
 - * Has opposed deficit government spending and FED issuance of more paper money -- because that erodes purchasing power.
- * Jack Kemp, as a member of the Committee on Education and Labor, fought hard for pension reform.
- * Jack Kemp sought enactment of the compromise -- and, therefore, workable -- minimum wage bill.
- * Jack Kemp has worked hard for Federal programs and projects for the Buffalo area -- sewage treatment works, mass transit, Great Lakes cleanup, etc. --- which means more jobs.
- * Jack Kemp has sponsored legislation to direct unemployment benefits for an additional 13 weeks over the regular program into areas of substantial unemployment.
- * Jack Kemp voted with labor in favor of the Comprehensive Manpower Act to assure opportunities and training to unemployed and underemployed persons.
