MAJOR IDEAS PERTAINING TO SPEECH AREAS

DEPRIVED AND DISADVANTAGED

The role of the handicapped in determining his own fate

Discrimination due to maturity

"The handicapped should be no more second-class citizens than persons should be stigmatized according to sex, age, race."

EDUCATION

Research and Development

Keep schools close to the people they serve

The Federal Government should not intrude upon the role of the States
or the local School Board

Aid to the students: Separation of Church and State

Importance of private colleges and universities

Damage of Categorical Funding

EQUALITY OF EMPLOYMENT AND EDUCATION

Equal opportunity based on ability

Civil Service -- "A foundation of competence assuming that the mandate
the voter has given the political leadership will be carried out."

THE FARMER

"The Hero of the Economy"

The Government is giving the land back to the people (New Federalism)

International cooperation

FOREIGN POLICY, DEFENSE, PEACE

Partnership not paternalism

Nixon Administration's creative relationship with the world

Defense forces must be strong for us to pursue peace, "Peace by Power"

HEALTH CARE

Government must do for the individual citizen what he cannot do for himself

Private/Public Partnership

Health Legislation

Need for Health Care in Rural Areas

Privacy of Patient and Doctor

INDUSTRY AND TRADE

Must reconcile demands of energy and environmental protection

The energy crisis led to innovation

Jobs, income, production, and investment are dependent upon energy

World peace rests upon the economy

(3)

INDUSTRY AND TRADE (CON'T)

Need for greater production and export

Increased market access leads to a new world partnership

"Turning Toward the World"

INFLATION AND THE ECONOMY

Proper Education of the Masses Toward Profit

Need Budget Busting Legislation

All must join to fight inflation (as if there were no impeachment proceedings)

"Not a veto proof Congress, but an Inflation Proof Congress"

"Fair Profit"

Certain groups, older Americans, the unemployed, those with fixed incomes, may need special help.

(To this point, many reasons for inflation are given but few solutions are given, with the exception of a speech on 5/6)

Must unite to fight inflation despite the Impeachment issue

MINORITIES

Progress depends on the ability of blacks and other Non White Political

Leaders to become successful, pragmatic politicians

Mentions women as elected officials

Administration is not practicing "Tokenism"

Blacks should be drawn into both parties

Individuals have attained positions of policy making and regulatory authority working "inside the system"

"The Nation has raised the last generation of American citizens that will see some of its members denied opportunity to find and hold decent jobs and have productive careers through no fault of their own."

THE PRESS (RESPONS TO ZIG-ZAG)

"My position changed from day to day. I don't know all the answers."

The truth is that I don't know all the questions. I call the shots as I see them. I may see the game differently today than yesterday."
