MEMORANDUM TO THE FILE

FROM: DAVID G. HANES *H*

SUBJECT: Mr. Zarb's Call to Robert Mossbacker on
October 22, 1976; 5:45 PM

Mr. Zarb returned Mr. Mossbacker's call at the referenced time. Mossbacker asked him to address a group of general business leaders in the San Francisco area while he was at Pebble Beach doing an event for the PFC. Mr. Zarb agreed to do so provided the group was indeed general business and not energy oriented, pointing out that it was inappropriate for him to be involved in political events with people directly concerned with the Petroleum Industry.

Mr. Zarb suggested that Mr. Mossbacker make the arrangements through the PFC as they set up and make all arrangements for such political events.

The purpose of Mr. Zarb's address would be to thank the business leaders in the San Francisco area for their hard work on behalf of the President.

2. All public appearances by such Advocates after October 16, 1976, including those official activities scheduled by the respective Agency prior to August 19, 1976, are to be considered candidate related in nature and expenses will be paid by the President Ford Committee.

The Honorable Frank G. Zarb

Federal Building, Room 3400
Washington, D. C. 20461

Dear Frank:

In the aftermath of the campaign it's easy to overlook the tremendous effort that has been made by those who have been the spokesmen for the candidate and who have travelled tirelessly back and forth across this great country.

I know the President feels deeply about the loyalty and effort that was exhibited during the campaign by advocates from throughout his Administration, and I would like to express to you my own personal appreciation for all that you have done.

All best wishes.

Yours sincerely,

ROGERS C. B. MORTON
