MEMORANDUM FOR: THE HONORABLE JOHN N. MITCHELL
FROM: ROBERT M. TEETER
SUBJECT: South Carolina, Massachusetts and North Dakota Poll Results

Over the past several weeks I have received copies of polls taken for Republican organizations and newspapers in various states. Enclosed are results from several states in our standard summary format.

In order that these results not be confused with our own polls they have been copied on colored paper. Note that in the top right hand corner is the name of the research firm and its client.

There are a number of discrepancies between these polls and our own. For instance, with the exception of Michigan, none have any demographic data. When information was not available it has been indicated on the summary sheet.

None of the states contain all six sample ballots. All reported ballots are included.

I expect to be receiving more of such information as the campaign progresses and will report it to you.
