SUBJECT: New Dates for Next Commission Meeting

Because of a conflict with the National Conference of State Legislatures meeting, which was only recently discovered, the Commission at its session last Friday changed the dates for its next meeting, which is to be held in South Dakota at Governor Kneip's invitation.

The meeting is now scheduled for Monday and Tuesday, August 30 and 31, 1976, but Commission members should plan to arrive on Sunday, August 29 because a social event or some part of the meeting may be scheduled that Sunday evening. We have reserved a block of rooms at the Howard Johnson's Motel in Rapid City, and the Commission meeting will be held there or at a nearby location.

Governor Kneip and Chairman Merriam made a special point of encouraging you to bring your spouses and families to partake of South Dakota's attractions.

So as to assist Governor Kneip's office and the ACIR staff in planning this meeting, we ask that you complete and return the brief questionnaire on the bottom of this page. We appreciate that your plans may change, but it will help us to have a preliminary count on attendance, hotel requirements, and so forth at this time. Please call me at (202) 382-4951 or Lin Steinko at (202) 382-2114 if you have questions or any special needs.

Name: James M. Cannon

1. Are you planning to attend the August 29-31 ACIR meeting?
2. What type of room(s) do you desire -- single, double, or larger? Double
3. Will you be arriving before August 29 or staying after August 31? If so, designate dates for which you require hotel reservations in Rapid City. _____

SUBJECT:

ACIR Meeting

As you know, ACIR is planning a meeting in Rapid City, South Dakota on August 30-31. I will be attending the Southern Governors Conference in Williamsburg, Virginia, and therefore have asked Ray to take my place at the ACIR meeting. In reviewing their agenda, it appears that their topic of discussion will be Inflation and the Individual Income Tax. Ray will be preparing a memo for you on this agenda.

Given that we are now in the full campaign, my sense is that your allocation of time in this meeting is second in priority to other matters. I think it is strictly up to your interest to attend in Rapid City session. Given Ray's plans to attend, we could receive a full briefing upon his return.

SUBJECT: Further Information on August 30-31 ACIR Meeting

Plans for the ACIR meeting in Rapid City, South Dakota on August 30 and 31 are now firm in virtually all particulars.

Governor and Mrs. Kneip are arranging the following social activities:

MEMORANDUM

TO: ALL COMMISSION MEMBERS

FROM: Wayne F. Anderson
Executive Director

SUBJECT: Denver Hearing on National Forest Service Project

Inasmuch as the Commission will be in the West for its Black Hills meeting on August 30 and 31, Chairman Merriam has approved our taking advantage of this fact by holding a hearing on the National Forest Service Project in Denver on Saturday, August 28.

The NFS study relates to their revenue sharing or payment in lieu of taxes program on national forest lands, which are concentrated in the Western United States. Certain legislation now before the Congress would provide a single approach for determining Federal payments on a number of categories of Federal land, including the forest lands. Our study must take cognizance of all relevant Federal practices. The work schedule for this study anticipates that the Commission will be asked to act on recommendations next Spring. Hearing testimony from representatives of interested parties at this study midpoint will, we believe, be very beneficial to both ACIR members and the project staff.

The hearing is scheduled for 9:30 a.m. to 1:30 p.m. on Saturday, August 28, and will be held at the Stapleton Plaza Hotel near Stapleton Field in Denver. A list of persons invited to testify is attached.

ACIR members planning to attend the hearing will, with few exceptions, need to arrive in Denver by Friday night (August 27) and, in some cases, will prefer to stay in Denver for Saturday night (August 28), and to proceed on to Rapid City on Sunday (August 29). So as to make suitable hotel reservations in both locations, we will call you within a few days to ask all of the following questions:

- (1) Will you be attending the hearing and the ACIR meeting?
- (2) What family members will accompany you?
- (3) What type of room(s) do you desire?
- (4) For what dates do you desire a hotel reservation at the Stapleton Plaza Hotel in Denver?
- (5) For what dates do you desire reservations at the Howard Johnson's Motel in Rapid City?
