MEMORANDUM TO:

James Cannon

FROM:

Peter J. Wallison

Quincy Rodgers is the fellow I have talked to you about on a number of occasions. He is presently a legislative assistant to Senator Mathias, and was the one who offered to assist us in getting additional funding for the Domestic Council.

Quincy is very anxious to meet you, or at least to meet with someone for an interview, and I think it's a good idea to assign someone to do this.

Dear George:

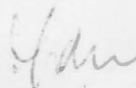

I want to recommend Quincy Rodgers for a professional position on the Domestic Policy Council. I have talked to a few people in Washington, but I wanted to bring this directly to the Vice President's attention.

I am enclosing Quincy's resume. Currently, he is the Minority Counsel to the Senate Subcommittee on Separation of Powers and he has spent the last two years primarily on judicial matters as well as serving as Legislative Counsel to Mac Mathias.

I have known Quincy for a number of years now, going back to the early days of the Ripon Society. He is a simply outstanding young man; totally competent and dedicated to serving in the public sector. It's about time for him to get "repotted," and I know he is very interested in serving in this capacity. Anything you can do to assist in this direction I would very much appreciate, and it would be a service indeed to our country.

Hope all is well with you and that our paths will cross personally soon.

Best regards,

Dan W. Lufkin
