MEMORANDUM FOR JIM CANNON

FROM: JACK VENEMAN 

Jim, here is what one group thought of Margo Boyle who worked over at 712.

If there should be some kind of an opening on the old Falk operation for an administrative assistant, she would be excellent.

Mr. Jack Veneman
Counsellor to the Vice President
268 Old Executive Office Building
Washington, D.C. 20500

Dear Jack:

As you are no doubt aware during October through early December, members of my staff were engaged in a high level of intense staff coordination with Mrs. Margo Boyle of your staff. That activity concerned the nomination, selection and appearance of representatives of the natural gas industry either as witnesses or as participants at the six regional public forums of the Domestic Council, chaired by Vice President Rockefeller.

You and the Council are to be commended for having someone of the professional competence exemplified by Margo. I realize that it was a part of her job to handle the coordination, however I also believe that because of our industry's intense interest to participate in those conferences, we increased the burden of work on Mrs. Boyle. Her candor and response to our detailed requests was at all times a credit to the office of the White House and particularly your office. I am asking that you relay our appreciation to Margo for her detailed attention and service provided to my staff.

We at A.G.A. look forward to a pleasant and continued relationship between the Council and our industry.

Sincerely,

F. Donald Hart
