The purpose of our meeting today is to provide all Presidential appointees throughout the Administration with an overview of the new Budget and the economic outlook and to review major points presented by the President in his State of the Union Message to Congress.

The President wants members of his Administration to have the opportunity to hear first-hand about his decisions and what he, working with you and others throughout the government and the country, plans to accomplish.

Now, ladies and gentlemen, it is my pleasure to present the Vice President of the United States.
