MEMORANDUM FOR THE PRESIDENT

FROM:

AL HAIG 

RE:

Outstanding Items

- 1) We are arranging to have Deputy Sheriff Pat Duvall participate in the advance of your trip to San Francisco and will have a recommendation for you following that trip with respect to a permanent assignment with the Advance Team.
- 2) Governor Romney is scheduled for an appointment with you the week after next (Monday, September 30, at 2:30 p. m.).
- 3) The VA Hospital study is being staffed and recommendations with respect to its findings will be in your hands by close of business tomorrow. (There has been considerable controversy within the staff with respect to the findings of the study which are costly and, in some instances, apparently inappropriate.)
- 4) Concerning next Monday evening's Redskin game, Dr. Kissinger is scheduled to be in New York for the UN Session and should probably not cancel these arrangements unless you feel strongly about his accompanying you.

*Henry should
not cancel.
I'll ask him
another time.*
