THE WHITE HOUSE
WASHINGTON

October 5, 1974

MR. PRESIDENT:

OMB points out for your information that one further major difference between NMTA and the original UTAP proposal is the significantly greater amount of discretionary dollars. Under the NMTA, 65% of the funds must be distributed on a discretionary basis whereas under the UTAP, only 45% of the funds were distributed under this basis. This will probably lead to a continued Federal involvement in the decision making process.
