MEMORANDUM FOR: DONALD RUMSFELD

FROM: JERRY H. JONES *J.H.J.*

SUBJECT: Chair Used by the President
When He was Vice President

You reported that the President would like to purchase the chair he used when he was Vice President for presentation to his son. The President used two chairs when he was Vice President: (1) the chair in the Cabinet Room and (2) the large swivel chair in the EOB Office that he is now using in the Oval Office.

Cabinet Chair

The President's Cabinet Chair used when he was Vice President is in storage and could be delivered to the President in the Residence whenever he desires. Cost is \$630.50, payable to the Treasurer of the United States, and check should be delivered to my office.

Swivel Chair

The President's swivel chair in the Oval Office was the same chair he used in his OEOB Vice Presidential Office. It was also used by former Vice President Agnew. A replacement chair has been delivered to GSA already, inasmuch as it was felt this chair would probably be returned to the EOB Vice Presidential Office. The President may purchase this chair, if he desires, at a cost of \$360.00, payable also to the Treasurer of the United States.
