Mr. Paul A. Miltich  
Special Assistant to the President  
for Public Affairs  
The White House  
Washington, D.C.

Dear Paul:

I appreciate your sending me a copy of President Ford's reasons for vetoing the freedom of information bill. Having the President's thinking on this matter is helpful in answering the inquiries of my constituents.

The increased flow of information from the White House is noticeable and appreciated. I know I talk for a number of my colleagues when I say that we hope these improved lines of communication will remain open.

With best wishes, I am

Sincerely,

William F. Walsh  
Member of Congress
