MEMORANDUM FOR: WARREN RUSTAND

FROM: JERRY JONES 

Attached is a memo to the President from Jim Cavanaugh describing a telephone conversation Cavanaugh had with Governor Christopher Bond of Missouri. The President indicated that he would like to attend the National Governor's Conference if possible and wanted to know if there were any scheduling problems. Cheney tell me that there are indeed scheduling problems, but asked that you pull together a scheduling option paper which could be sent to the Presidential party in the Far East. Your memo should show the events that would have to be cancelled if the President were to choose to go to the Conference. You may want to talk to Cavanaugh about the event before you make your recommendations.
