Meet with the top two or three American  
Automobile Association heads. The President  
met with the AAA Board on December 12  
when they informed him of their proposed  
program called "Gas Watchers: A Plan for  
Action to Achieve Widespread Voluntary  
Gasoline Conservation." They are now set  
to launch this program. In line with the  
strong mandatory proposals in the SOTU  
Message we question whether this would be  
an appropriate follow-up meeting. (Bill
