House

Trent Lott

What does he want? Who is he?

Recommends that Jodie R. Johnson be appointed for an appropriate position; is disappointed about the lack of response received from the Administration concerning his appointment recommendations, and he considers this request to be the most important and worthwhile of all requests submitted.

Robert Bauman

Requests an autographed photograph for his Administrative Assistant.

David Treen

Recommends that Emmett G. Wyche be appointed as U. S. Marshal for the Western District of Louisiana.

James Burke

Recommends that William J. White be appointed as Secretary of HUD.

Robert Jones

Urges the President to declare affected portions of Alabama disaster areas.

House - page 2

Al Ullman

Requests that the President take no further action under the national security provision of the Trade Expansion Act of 1962 to impose additional fees or tariffs on imports of petroleum and petroleum products, but await appropriate legislative action. Says the Ways and Means Committee is responding to the President's request for action by making his proposal the first order of business. Believes there are serious legal questions created by continued use of Section 232 of the Act to drastically change restrictions on imports of petroleum products without benefit of the statutory investigation and findings required by that provision.

David Henderson

Extends invitation to the President to attend the celebration of the 200th Anniversary of the Battle of Moore's Creek in N. C., Feb 27-29.

Kika de la Garza

Requests that decision be amended regarding restricting SBA's Emergency Energy Shortage Loan Program because it is ruining the comeback of U.S. shrimping industry in Texas since SBA cannot fund any more physical diaster loans except for displaced business loans.

Phil Landrum

Recommends that John D. Vickery, Jr. be appointed as a member of the Postal Service Advisory Council.

John McCollister

Congratulates the President on his State of the Union message; urges the President to seek input into his economic policy decisions by adding the Administrator of SBA to the Economic Policy Board.

Wm Dickinson

Endorses invitation to the President to attend dedication ceremonies planned for the West Point Dam and Reservoir on May 12.

Robert Lagomarsino

Conveys the views of Ruth Case that Alex Butterfield is "not the man" to be Administrator of FAA.

John Slack

Recommends that Elizabeth V. Hallanan be appointed to the FPC.

Richard Ottinger

Again urges the President to dismiss General George Brown because of his remarks at Duke University.

House - page 3

Joel Pritchard	Recommends that Tom A. Alberg be appointed to the Board of Director of the Legal Services Corporation.
Robt Lagomarsino	Asks that consideration be given to letter to the President from Mayor E. C. Stevens of Lompoc, California, concerning the Johns-Manville strike/lockout in his community.

Joseph Karth	Recommends that Robert J. Tennesen be appointed to the Privacy Protection Study Commission.
Elliott Levitas	Hopes that the President will replace Judge Omer W. Franklin's nomination to the Board of Directors of the National Legal Services Corporation with someone else from Georgia in light of the experience in legal aid programs which Georgia has had.
Bob Sikes	Recommends that George E. Saunders be appointed to the Federal Elections Committee.

Senate

Jacob Javits	Urges the President to propose to President Giscard e'Estaing a formal agreement with France to exchange information on cancer research being conducted in both our countries and accelerate cooperation in clinical trials in the major forms of cancer.
Bob Dole	Recommends that Frank Frazier be appointed to the Commodity Exchange Commission.
Robt Stafford	Recommends that Ralph A. Foote be appointed to the Board of Directors of the Legal Services Corporation.
Gaylord Nelson	Recommends that George Jessel be considered for the Presidential Medal of Freedom.
Roman Hruska	Recommends that Irwin S. Rhodes be appointed to the Privacy Protection Study Commission.
Jake Garn	Recommends that James W. Sanderson be appointed to head the Office of General Enforcement (EPA).
The Alabama Congressional Delegation	Urge immediate declaration of Alabama as disaster area; state that the emergency declaration is not enough.
Herman Talmadge	Endorses invitation to the President to attend the dedication ceremonies of the West Point Dam and Reservoir on May 12.
Jake Garn	Delighted that the President accepted invitation to serve as Honorary Chairman of Sister Cities International; hopes the President will accept invitation to attend the commemorative observance marking the fact that the 500th American City has now joined this program.
Sam Nunn	Joins with Senator Talmadge in requesting the President to send to Congress a supplemental appropriations request for a \$200 million dollar addition to the farm operating loan program.
