My dear Mr. President:

Unless you have already received a copy of the enclosed newspaper article, I am quite certain that you will be interested in reading it.

Although I am a couple of years younger than Joe McIntosh, we have been good friends for many years. We went to the same school, were members of the same Boy Scout troop here in Port Huron and Joe helped me with many of my scouting tests and merit badge work. He was always my ideal, a good student, a member of the school debating team, an excellent athlete, an eagle scout, 6' 4½" at maturity, a graduate engineer, faithful to his family, his church, and his country. Who could ask for more?

I have a request. Why not invite him to the White House for a visit? He would be thrilled. And as he is retired, his talents and abilities might be put to work on some special assignment for our government.

By the way, my wife, Evelyn, is a first cousin to the late James Mudge who was on your staff many years ago.

Through our mutual friendship with Joe McIntosh, the association between you and Jim Mudge and the fact that you are from Michigan we always felt very near to you and have followed your career closely. Your television talk of last evening was excellent.

Wishing you success and good health in the future.

Very respectfully yours,
Charles L. Sharrow, Jr.
