Mr. Robert Hartmann
Assistant to the President
The White House
Washington, D.C.

Dear Mr. Hartmann:

Last June, I received a letter from Mr. David Wimer, Special Assistant to President Nixon, in regard to President Ford's request of March, 1973 for consideration of my appointment to an advisory board or commission.

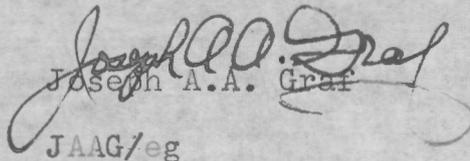

In accordance with his request to up date my resume, I am sending you a complete copy which is up to date at the present.

I am contacting you, since I am not sure that Mr. Wimer is still on the White House Staff, and you are already acquainted with my case.

By the way, I still remember with great fondness the wonderful and educational time I was fortunate to spend with the President and his outstanding staff during the summer of 1973. Please extend my greetings and best wishes to all.

With warmest personal regards,

Sincerely,

Joseph A.A. Graf
