I promised a personal
letter in response.

March 13, 1975

Dear Girls and Boys:

Thank you for your letter which tells me about the good work you are doing to call attention to the needs of crippled children by helping with the Easter Seal campaign.

What pleases me most is the compassion and understanding that have inspired your efforts. Your willingness to become involved in such a generous way gives an example to all of us. It is heart-warming to see that all of you are well on your way to becoming good and concerned citizens of your community and our Nation.

I am proud to count you among my friends, and I am glad to have this opportunity to send each of you my best wishes for the years ahead.

Sincerely,

/s/
