Is this morning?
Low Fry should
be helpful.

4/20/75

To: The President
From: J.R. Stiles *JRS*

Subject: Cape Canaveral World Technology Fair.

This suggestion has been well recieved by NASA, ERDA, ARBA and others I have talked to.

John Warner suggested that it be sponsored by the Department of Commerce rather than ARBA because he thought it would be better recieved by Congress as part of the Economic Recovery Program.

He suggested that we "back it into the BiCentennial" rather than the other way around.

I have mentioned this to Rogers Morton and he saw no reason why it wouldn't be good.

Obviously it requires a lot more planning and time is short. However, I think an OK from you to Morton and we can get it off the ground quickly. It will be good for the economy of Florida and hopefully we can attract foreign tourists and trade (good for the balance of trade.); also inspirational for the American public which needs a lift.
