MR. PRESIDENT:

The attached memorandum has been staffed and generated the following comments:

Buchen (Hills and Lazarus) -- The feasibility of Alternative 3 (favored by OMB) is difficult to appraise because of our uncertainty as to whether "local agreements" required can be achieved. If as a practical matter they cannot, a new issue is raised. Also the position of DOT (Attachment C) is somewhat vague and is not set forth with any specificity in the action memorandum. We suggest the memorandum be altered to appraise feasibility of local agreements referred to above and to more clearly set forth DOT position as an alternative.

Cannon -- Option 3.

Marsh -- Option 3.

Friedersdorf -- Concurs with memo.

Seidman -- Option 3 with Coleman suggestions.
