Dear Jim:

I am deeply grateful to you for your support of my veto on H.R. 4481, the Emergency Employment Appropriations Act of 1975, which was sustained in the House of Representatives on Wednesday, June 4.

Your assistance enabled us to defeat this highly inflationary measure which would have contributed enormously to the budget deficit and adversely affected every American taxpayer.

I congratulate you on your responsible vote and again offer my warmest thanks for your assistance on this crucial legislative action.

With kindest regards,

Sincerely,

The Honorable James Abdnor
House of Representatives
Washington, D.C. 20515

The result of the vote was announced as above recorded.

The SPEAKER. The Clerk will notify the Senate of the action of the House.

GENERAL LEAVE

Mr. MAHON. Mr. Speaker, I ask unanimous consent that all Members may have 5 legislative days in which to revise and extend their remarks and to include extraneous matter on the vote to override the President's veto just considered.

The SPEAKER. Is there objection to the request of the gentleman from Texas?

There was no objection.

CONFERENCE REPORT ON H.R. 4700, AUTHORIZING APPROPRIATIONS FOR NATIONAL AERONAUTICS AND SPACE ADMINISTRATION

Mr. FUQUA submitted the following conference report and statement on the bill (H.R. 4700) to authorize appropriations to the National Aeronautics and Space Administration for research and development, construction of facilities, and research and program management, and for other purposes:

CONFERENCE REPORT (H. REPT. NO. 94-259)

The committee of conference on the disagreeing votes of the two Houses on the amendment of the Senate to the bill (H.R. 4700) to authorize appropriations to the National Aeronautics and Space Administration for research and development, construction of facilities, and research and program management, and for other purposes, having met, after full and free conference, have agreed to recommend and do recommend to their respective Houses as follows:

That the House recede from its disagreement to the amendment of the Senate and agree to the same with an amendment as follows:

In lieu of the matter proposed to be inserted by the Senate amendment insert the following:

That there is hereby authorized to be appropriated to the National Aeronautics and Space Administration:

(a) For "Research and development," for the following programs:
