MEMORANDUM FOR THE PRESIDENT

FROM: MAX FRIEDERSDORF *M-F*  
SUBJECT: Senator Jim Allen (D-Ala.)

I have been unable to pinpoint exactly how the letter was erroneously sent to Senator Allen concerning the recent bus accident in Georgia. Although the Senator and Mrs. Allen were not on board the bus, the first wire stories after the accident carried them as passengers.

I believe the letters were drafted from this list and Allen's name erroneously included in an effort to get the letters out as quickly as possible.

We have spent considerable time trying to run this down and hopefully have impressed our staff with the necessity for double checking on matters such as this.
