Dear Doctor Berkhoff:

Senator Mike Mansfield told me recently that you "worked on his abscessed tooth." I understand that in the course of your conversation with him you indicated that you were from Grand Rapids and that you also attended the University of Michigan.

The Senator kindly passed along your regards for which I am most grateful. It is always good to hear from folks "back home."

Thank you for your thoughtfulness and thank you especially for taking such great care of Senator Mansfield.

Kindest personal regards,

Captain Ronald Berkhoff (D.C.)
