MEMORANDUM FOR: JIM LYNN
FROM: JACK MARSH

The President received a call from Carl Albert today who mentioned to him the recommendation of the Democratic Steering Group who have suggested the enactment of all of next year's authorization bills by the end of this year in order to be ahead of general legislation next year.

Albert indicates that the role of the Budget Committee is one of the factors that caused him to make this request.

The President would like to have your views on this suggestion by this afternoon. I assume he may want to call the Speaker back.
