Ted Marrs advises that Governor Wallace would like to speak to you on the phone sometime prior to October 11, when he will be leaving for a trip to Europe.

THE PRESIDENT HAS ~~SEEN~~

MEMORANDUM FOR LIEUTENANT GENERAL BRENT SCOWCROFT  
THE WHITE HOUSE

Subject: Preparations for Governor Wallace's Trip  
to Europe (NSC 6685)

Ms. Davis requested a memorandum "outlining the extent of State's activity with regard to the Governor's trip." The following information is furnished in response:

1. Following a conversation between Mr. William France (a friend and associate of Governor Wallace) and Under Secretary of State Joseph J. Sisco, Colgate S. Prentice, the Department Officer having responsibility for liaison with Governors, called Mr. Charles Snider of Governor Wallace's staff on August 11, 1975 to offer assistance.
2. As a result of the telephone conversation with Mr. Snider, the Department cabled (STATE 192558, Aug. 14, 1975) our embassies in the countries the Governor intended to visit, (i.e., the UK, Belgium, Italy, West Germany and France) to request recommendations concerning in-country itineraries and programs.
3. On September 11, Mr. Prentice and Mr. Frank Seidner, Public Affairs Adviser for our Bureau of European Affairs, visited Montgomery, Alabama to meet with Governor Wallace and various members of his staff. At that time a tentative program and itinerary, based upon the responses from our embassies, was reviewed.
4. Following decisions made at the above meeting, another circular cable (STATE 221813, Sept. 17, 1975) was sent to the embassies indicating the Governor's

preferences with regard to itinerary and program. Additional exchanges of cables clarifying certain points have followed. Mr. Seidner has also had several telephone conversations with Billy Joe Camp, the Governor's Press Secretary and with Henry Steagall, his Executive Assistant.

5. Following up on an offer made at the September 11 meeting, Mr. Prentice, accompanied by Mr. Warren Zimmerman, Special Assistant to the Assistant Secretary for European Affairs, will visit Montgomery on October 8 to provide the Governor with personal background briefings appropriate to his trip.
