RECOMMENDED TELEPHONE CALL FOR THE PRESIDENT

TO:

CHARLOTTE DUNN and CHARLIE BATES
PFC Headquarters
Pasco County, Florida
(813) 847-3111

DATE:

Immediately - March 8 or 9

RECOMMENDED

BY:

BO CALLAWAY
JACK INSCO (Florida)

PURPOSE:

Thank them for all they have done in Pasco County and boost their morale.

BACKGROUND:

The Pasco County PFC has had a very hard time -- no money for rent or telephones. In spite of this, 33,000 hand-addressed mailers have been sent out, with the effort being spear-headed by Charlotte Dunn and Charlie Bates.

Pasco County is the 12th largest County in Florida and should go strongly for the President.

TOPICS OF DISCUSSION:

1. Thank them for their efforts against real obstacles.
2. Tell them you know Rog Morton was there last Friday and has told you of their good work.

Date of submission: March 8, 1976

RECOMMENDED TELEPHONE CALL FOR THE PRESIDENT

TO:

KIM ZACHOS
New Hampshire
(603) 668-0300

DATE:

As soon as possible

RECOMMENDED BY:

BO CALLAWAY *Bo*
STU SPENCER

PURPOSE:

Thank him for all his great help in the New Hampshire campaign.

BACKGROUND:

Kim really worked his heart out on the campaign. In addition to being PFC Finance Chairman, he was also a member of the PFC Steering Committee.

He was the only Ford delegate-at-large not elected. The reason for this was that delegates are listed alphabetically and the 15 getting the most votes win. Being listed last on the ballot didn't really give him a chance. Hugh Gregg, by the way, is the only Reagan delegate elected at-large, and as you know, he was Reagan's campaign manager.

TOPICS OF DISCUSSION:

1. Thank him for all his help and that you hope he'll be coming to Kansas City anyway.
2. Ask him for a general assessment of the campaign in New Hampshire.

Date of submission:

THE PRESIDENT HAS SPOKE.

STATEMENT BY CONG. SIKES - 3/5/76

Bob Sikes

Although I am a Democrat, I am first an American and I am reluctant to see our President accused of failing to provide adequate defense for America. The truth is that President Ford's budget is the first in years which shows an improved situation that yields defense dollars. Cuts in funds in defense had been made by Congress more than by the Administration.

In my long association with the President he has always been a strong supporter of adequate security and effective defense, and he has consistently helped me in my efforts to strengthen the five military installations in Northwest Florida.

(The above statement has been put out to all media in Florida.)
