THE CALL

June 7, 1976

President Gerald R. Ford
White House
Washington, D. C.

Dear President Ford:

Enclosed are tear sheets from today's paper carrying pictures and stories about your visit Sunday to Paterson.

I am grateful to you for coming here personally to dedicate The Great Falls of the Passaic River as a National Historic Landmark.

It means much to us because it brings to a successful conclusion the work done by my late Dad, Harry B. Haines, who for almost fifty years as Publisher of the Morning/Evening News fought to have the Falls and adjacent area recognized as the cradle of industry in the Western Hemisphere.

Again, my thanks and all best wishes for your success in the New Jersey Primary and forthcoming general election.

Sincerely,

Edward B. Haines
