I. PURPOSE

To thank the delegates for their support and encourage the few uncommitteds (Alvin Amaral, Hannibal Tavares, Gay Hawley) to join with them.

II. BACKGROUND, PARTICIPANTS, AND PRESS PLAN

The Guam delegates came out early on in the campaign with an endorsement of the President. They have supported him enthusiastically throughout and we want them to know how much President Ford appreciates this support.

The Hawaii delegation passed a resolution at their state convention to remain uncommitted. Because numbers became so important due to the close nomination race, the Hawaii delegation agreed to make a public statement in support of the President. Fifteen of the delegates agreed to this, three remained uncommitted and one is for Reagan. It is essential, in order to keep their support enthusiastic and current, that they be recognized by the President and told of his appreciation.

Participants:

The Hawaii delegates and alternates along with a minimal number of spouses; the Guam delegates and alternates (total 8) with a minimal number of spouses. Total expected -- 50 to 60.

Press: None

Note: There will be some Reagan alternate delegates who may attend. Nothing to be concerned about -- The only heavy Reagan supporter is Kinau Kamalii, State Representative.
