Trudy,

✓ Could you please help us on the following items.

1. Confidential Dossier of Arnold M. Sedaca. We received this from Yale University, and I can't figure out why we did. The name is not familiar to me, and I checked with the President and the name is not familiar to him either. Do you suppose we should check with Yale to see why it was sent here?

✓ 2. Letter from Secretary Middendorf. The President has seen this letter (how he got it I don't know). He said there was no reason to write a thank you note--just file!

✓ 3. Letter from Bill Scranton. Note Nancy Chirton's explanation as to how it was received. The President did see the letter and indicated it should be filed.

*file PHW 8/19*

✓ 4. Information from the U.S. Capitol Historical Society. Do you see any reason why the President should be bothered with something like this?

✓ 5. Information from Henry Dodge regarding challenge to the FCC. Will you please forward this to the proper staff person. The President has not seen it.

Thanks for your help!

Dorothy
