Jim — O.K. we will do 24th

Rich Schmalbeck OMB -

the mainreason they are pushing on
Supplement for Transition Quarter -
is that the Transition Quarter expires
next week - must have before Sept 30 --
and a good deal of work to be done on
it after they get it from us. if they
did not get until Sept. 24 or 25 it would
cause trouble.

Also Committee staff wants to have
hearings this week.

Art: There has been talk of a
signing ceremony but nothing
definite.
          Judy 9/17

this decided at meeting evening in Rm 164

Called Bill Nicholson's office

on 9/18/76

No plans for signing ceremony
or private signing

Would suggest that the bill be
signed when President returns
from Philadelphia on the 24th.
(which is the last day of action).
Should not be signed before the
debates.
