MEMORANDUM FOR THE PRESIDENT

FROM:

JIM BAKER

Attached are three recommended telephone calls in connection with organizing the leadership of the Citizens for Ford Committee.

Assuming that all three persons accept the assignment, I recommend consideration be given to inviting them to Washington later this week for a picture-taking session and anything else that is appropriate for the occasion.

As soon as the leadership is announced, we will be in a position to make additional announcements with respect to others who will join the Citizens for Ford Committee.
