THE WHITE HOUSE

WASHINGTON

January 16, 1977

Judy Fry

TO: DICK CHENEY

FROM: MARIA DOWNS *M*

Enclosed please find a proposed guest list for the party the President would like to hold on Tuesday evening. It comes to sixty couples or 120 people. With such little notice I would imagine you would have about 100 people attend if you invited everyone on the list.

The personal list is composed mostly of people that the President and Mrs. Ford have invited to their private parties held in the family quarters. The Senior Staff list was put together at random . . . and the President may wish to add or delete.

Do you think he would like to include people like the Joe Garagiolas ? If he would like any further suggestions please let me know.

Thank you.
