I. RULES OF THE COMMITTEE ON GOVERNMENT OPERATIONS

U.S. House of Representatives

94th Congress

Rule XI, 1(a)(1) of the House of Representatives provides:

The Rules of the House are the rules of its committees and subcommittees so far as applicable, except that a motion to recess from day to day is a motion of high privilege in committees and subcommittees.

Rule XI, 2(a) of the House of Representatives provides, in part:

Each standing committee of the House shall adopt written rules governing its procedure. * * *

In accordance with the foregoing, the Committee on Government Operations, on February 4, 1975, adopted the following as the rules of the committee:

Rule 1.—Application of Rules

Except where the terms "full committee" and "subcommittee" are specifically referred to, the following rules shall apply to the Committee on Government Operations and its subcommittees as well as to the respective chairmen.

[See House Rule XI, 1.]

Rule 2.—Meetings

The regular meetings of the full committee shall be held on the third Thursday of each month at 10 a.m., except when Congress has adjourned. The chairman is authorized to dispense with a regular meeting or to change the date thereof, and to call and convene additional meetings, when circumstances warrant. A special meeting of the committee may be requested by members of the committee in accordance with the provisions of House Rule XI, 2(c)(2). Subcommittees shall meet at the call of the subcommittee chairmen. Every member of the committee or the appropriate subcommittee, unless prevented by unusual circumstances, shall be provided with a memorandum at least three calendar days prior to each meeting or hearing explaining (1) the purpose of the meeting or hearing; and (2) the names, titles, background and reasons for appearance of any witnesses. The minority staff shall be responsible for providing the same information on witnesses whom the minority may request.

[See House Rule XI, 2(b).]

(1)

Rule 3.—Quorums

A majority of the members of the committee shall constitute a quorum, except that two members shall constitute a quorum for taking testimony and receiving evidence. Proxies shall not be used to establish a quorum. If the chairman is not present at any meeting of the committee or subcommittee, the ranking member of the majority party on the committee or subcommittee who is present shall preside at that meeting.

[See House Rule XI, 2(h).]

Rule 4.—Committee Reports

Bills and resolutions approved by the committee shall be reported by the chairman in accordance with House Rule XI, 2(l).

Every investigative report shall be approved by a majority vote of the committee at a meeting at which a quorum is present. Supplemental, minority, or additional views may be filed in accordance with House Rule XI, 2(l)(5). The time allowed for filing such views shall be three calendar days (excluding Saturdays, Sundays, and legal holidays) unless the committee agrees to a different time, but agreement on a shorter time shall require the concurrence of each member seeking to file such views. A proposed report shall not be considered in subcommittee or full committee unless the proposed report has been available to the members of such subcommittee or full committee for at least three calendar days (excluding Saturdays, Sundays, and legal holidays) prior to the consideration of such proposed report in subcommittee or full committee. If hearings have been held on the matter reported upon, every reasonable effort shall be made to have such hearings available to the members of the subcommittee or full committee prior to the consideration of the proposed report in such subcommittee or full committee.

Rule 5.—Proxy Votes

A member may vote by proxy on any measure or matter before the committee and on any amendment or motion pertaining thereto. A proxy shall be in writing and be signed by the member granting the proxy; it shall show the date and time of day it was signed and the date for which it is given and the member to whom the proxy is given. Each proxy authorization shall state that the member is absent on official business or is otherwise unable to be present; shall be limited to the date and the specific measure or matter to which it applies; and, unless it states otherwise, shall apply to any amendments or motions pertaining to that measure or matter.

[See House Rule XI, 2(f).]

Rule 6.—Roll Calls

A roll call of the members may be had upon the request of any member.

[See House Rule XI, 2(e).]

(1)

Rule 7.—Record of Committee Actions

The committee staff shall maintain in the committee offices a complete record of committee actions including a record of the roll-call votes taken at committee business meetings. The original records, or true copies thereof, as appropriate, shall be available for public inspection whenever the committee offices are open for public business. The staff shall assure that such original records are preserved with no unauthorized alteration, additions, or defacement.

[See House Rule XI, 2(e).]

Rule 8.—Subcommittees; Referrals

There shall be seven subcommittees with appropriate party ratios which shall have fixed jurisdictions. Bills, resolutions, and other matters shall be referred by the chairman to subcommittees within two weeks for consideration or investigation in accordance with their fixed jurisdictions. Where the subject matter of the referral involves the jurisdiction of more than one subcommittee or does not fall within any previously assigned jurisdiction, the chairman shall refer the matter as he may deem advisable. Bills, resolutions, and other matters referred to subcommittees may be reassigned by the chairman when, in his judgment, the subcommittee is not able to complete its work or cannot reach agreement thereon.

[See House Rule XI, 1(a)(2).]

Rule 9.—Ex Officio Members

The chairman and the ranking minority member of the committee shall be ex officio members of all subcommittees. They are authorized to vote on subcommittee matters; but, unless they are regular members of the subcommittee, they shall not be counted in determining a subcommittee quorum other than a quorum for the purpose of taking testimony.

Rule 10.—Staff

Except as otherwise provided by House Rule XI, 5 and 6, the chairman of the full committee shall have the authority to hire and discharge employees of the professional and clerical staff of the full committee and of subcommittees subject to appropriate approval.

Rule 11.—Staff Direction

Except as otherwise provided by House Rule XI, 5 and 6, the staff of the committee shall be subject to the direction of the chairman of the full committee and shall perform such duties as he may assign.

Rule 12.—Hearing Dates and Witnesses

The chairman of the full committee will announce the date, place, and subject matter of all hearings at least one week prior to the commencement of any hearings, unless he determines that there is good

cause to begin such hearings at an earlier date. In order that the chairman of the full committee may coordinate the committee facilities and hearing plans, each subcommittee chairman shall notify him of any hearing plans at least two weeks in advance of the date of commencement of hearings, including the date, place, subject matter, and the names of witnesses, willing and unwilling, who would be called to testify, including, to the extent he is advised thereof, witnesses whom the minority members may request. The minority members shall supply the names of witnesses they intend to call to the chairman of the full committee or subcommittee at the earliest possible date. Witnesses appearing before the committee shall, so far as practicable, submit written statements at least 24 hours in advance of their appearance.

[See House Rule XI, 2 (g)(3), (g)(4), (j), and (k).]

Rule 13.—Open Meetings

Meetings for the transaction of business and hearings of the committee shall be open to the public or closed in accordance with Rule XI of the House of Representatives.

[See House Rule XI, 2(g).]

Rule 14.—Five-Minute Rule

A committee member may question a witness only when recognized by the chairman for that purpose. In accordance with House Rule XI, 2(j)(2), each committee member may request up to five minutes to question a witness until each member who so desires has had such opportunity. Until all such requests have been satisfied, the chairman shall, so far as practicable, recognize alternately on the basis of seniority those majority and minority members present at the time the hearing was called to order and others on the basis of their arrival at the hearing. Thereafter, additional time may be extended at the direction of the chairman.

Rule 15.—Investigative Hearings; Procedure

Investigative hearings shall be conducted according to the procedures in House Rule XI, 2(k). All questions put to witnesses before the committee shall be relevant to the subject matter before the committee for consideration, and the chairman shall rule on the relevance of any questions put to the witness.

Rule 16.—Stenographic Record

A stenographic record of all testimony shall be kept of public hearings and shall be made available on such conditions as the chairman may prescribe.

Rule 17.—TV, Radio, and Photographs

When approved by a majority vote, an open meeting or hearing of the committee or a subcommittee may be covered, in whole or in part, by television broadcast, radio broadcast, and still photography, or by any of such methods of coverage, subject to the provisions of House Rule XI, 3. In order to enforce the provisions of said rule or to maintain an acceptable standard of dignity, propriety, and decorum, the chairman may order such alteration, curtailment, or discontinuance of coverage as he determines necessary.

Rule 18.—Additional Duties of Chairman

The chairman of the full committee shall:

- (a) Make available to other committees the findings and recommendations resulting from the investigations of the committee or its subcommittees as required by House Rule X, 4(c)(2);
- (b) Arrange such meetings, designate participants and submit such reports to the House as may be necessary to carry out the coordination of oversight activities and reporting requirements under House Rule X, 2(c);
- (c) Direct such review and studies on the impact or probable impact of tax policies affecting subjects within the committee's jurisdiction as required by House Rule X, 2(d);
- (d) Submit to the Committee on the Budget views and estimates required by House Rule X, 4(g); and
- (e) Prepare, after consultation with subcommittee chairmen and the minority, a budget for the committee which shall include an adequate budget for the subcommittees to discharge their responsibilities.

II. SELECTED RULES OF THE HOUSE OF REPRESENTATIVES

A. 1. Powers and Duties of the Committee—Rule X of the House

House Rule X provides for the establishment and jurisdiction of standing committees. The first paragraph of clause 1 of Rule X and subdivision (1) thereof read as follows:

ESTABLISHMENT AND JURISDICTION OF STANDING COMMITTEES

The committees and their jurisdiction

1. There shall be in the House the following standing committees, each of which shall have the jurisdiction and related functions assigned to it by this clause and clauses 2, 3, and 4; and all bills, resolutions, and other matters relating to subjects within the jurisdiction of any standing committee as listed in this clause shall (in accordance with and subject to clause 5) be referred to such committees, as follows:

* * * *

COMMITTEE ON GOVERNMENT OPERATIONS

- (1) Budget and accounting measures, other than appropriations.
- (2) The overall economy and efficiency of Government operations and activities, including Federal procurement.
- (3) Reorganizations in the executive branch of the Government.
- (4) Intergovernmental relationships between the United States and the States and municipalities, and general revenue sharing.
- (5) National archives.

In addition to its legislative jurisdiction under the preceding provisions of this paragraph (and its oversight functions under clause 2(b) (1) and (2)), the committee shall have the function of performing the activities and conducting the studies which are provided for in clause 4(c).

(7)

(3)

2. General Oversight Responsibilities—Rule X, 2 of the House

Clause 2 of Rule X relates to general oversight responsibilities. It reads as follows:

2. (a) In order to assist the House in—

(1) its analysis, appraisal, and evaluation of (A) the application, administration, execution, and effectiveness of the laws enacted by the Congress, or (B) conditions and circumstances which may indicate the necessity or desirability of enacting new or additional legislation, and

(2) its formulation, consideration, and enactment of such modifications of or changes in those laws, and of such additional legislation, as may be necessary or appropriate,

the various standing committees shall have oversight responsibilities as provided in paragraph (b).

(b)(1) Each standing committee (other than the Committee on Appropriations and the Committee on the Budget) shall review and study, on a continuing basis, the application, administration, execution, and effectiveness of those laws, or parts of laws, the subject matter of which is within the jurisdiction of that committee, and the organization and operation of the Federal agencies and entities having responsibilities in or for the administration and execution thereof, in order to determine whether such laws and the programs thereunder are being implemented and carried out in accordance with the intent of the Congress and whether such programs should be continued, curtailed, or eliminated. In addition, each such committee shall review and study any conditions or circumstances which may indicate the necessity or desirability of enacting new or additional legislation within the jurisdiction of that committee (whether or not any bill or resolution has been introduced with respect thereto), and shall on a continuing basis undertake future research and forecasting on matters within the jurisdiction of that committee. Each such committee having more than twenty members shall establish an oversight subcommittee, or require its subcommittees, if any, to conduct oversight in the area of their respective jurisdiction, to assist in carrying out its responsibilities under this subparagraph.

The establishment of oversight subcommittees shall in no way limit the responsibility of the subcommittees with legislative jurisdiction from carrying out their oversight responsibilities.

(8)

(2) The Committee on Government Operations shall review and study, on a continuing basis, the operation of Government activities at all levels with a view to determining their economy and efficiency.

(3) The Committee on Appropriations shall conduct such studies and examinations of the organization and operation of executive departments and other executive agencies (including any agency the majority of the stock of which is owned by the Government of the United States) as it may deem necessary to assist it in the determination of matters within its jurisdiction.

(c) At the beginning of each Congress, an appropriate representative of the Committee on Government Operations shall meet with appropriate representatives of each of the other committees of the House to discuss the oversight plans of such committees and to assist in coordinating all of the oversight activities of the House during such Congress. Within 60 days after the Congress convenes, the Committee on Government Operations shall report to the House the results of such meetings and discussions, and any recommendations which it may have to assure the most effective coordination of such activities and otherwise achieve the objectives of this clause.

(d) Each standing committee of the House shall have the function of reviewing and studying on a continuing basis the impact or probable impact of tax policies affecting subjects within its jurisdiction as described in clauses 1 and 3.

3. Additional Functions of Committees—Rule X, 4 of the House

Clause 4 of Rule X relates to additional functions of committees. Paragraphs (a)(2), (c), (f), (g), (h), and (i) read as follows:

4. (a)

(2) Whenever any bill or resolution which provides new spending authority described in section 401(c)(2)(C) of the Congressional Budget Act of 1974 is reported by a committee of the House and the amount of new budget authority which will be required for the fiscal year involved if such bill or resolution is enacted as so reported exceeds the appropriate allocation of new budget authority reported as described in clause 5(j) in connection with the most recently agreed to concurrent resolution on the budget for such fiscal year, such bill or resolution shall then be referred to the Committee on Appropriations with instructions to report it, with the committee's recommendations and (if the committee deems it desirable) with an amendment limiting the total amount of new spending authority provided in the bill or resolution, within 15 calendar days (not counting any day on which the House is not in session) beginning with the day following the day on which it is so referred. If the Committee on Appropriations fails to report the bill or resolution within such 15-day period, the committee shall be automatically discharged from further consideration of the bill or resolution and the bill or resolution shall be placed on the appropriate calendar.

(c)(1) The Committee on Government Operations shall have the general function of—

(A) receiving and examining reports of the Comptroller General of the United States and of submitting such recommendations to the House as it deems necessary or desirable in connection with the subject matter of such reports;

(B) evaluating the effects of laws enacted to reorganize the legislative and executive branches of the Government; and

(C) studying intergovernmental relationships between the United States and the States and municipalities, and between the United States and international organizations of which the United States is a member.

(2) In addition to its duties under subparagraph (1), the Committee on Government Operations may at any time conduct investigations of any matter without regard to the provisions of clause 1, 2, or 3 (or this clause) conferring jurisdiction over such matter upon another standing committee. The committee's findings and recommendations in

any such investigation shall be made available to the other standing committee or committees having jurisdiction over the matter involved (and included in the report of any such other committee when required by clause 2(1)(3) of Rule XI).

(f)(1) Each standing committee of the House shall, in its consideration of all bills and joint resolutions of a public character within its jurisdiction, insure that appropriations for continuing program and activities of the Federal Government and the District of Columbia government will be made annually to the maximum extent feasible and consistent with the nature, requirements, and objectives of the programs and activities involved. For the purposes of this paragraph a Government agency includes the organizational units of government listed in clause 7(d) of Rule XIII.

(2) Each standing committee of the House shall review, from time to time, each continuing program within its jurisdiction for which appropriations are not made annually in order to ascertain whether such program could be modified so that appropriations therefor would be made annually.

(g) Each standing committee of the House shall, on or before March 15 of each year, submit to the Committee on the Budget (1) its views and estimates with respect to all matters to be set forth in the concurrent resolution on the budget for the ensuing fiscal year which are within its jurisdiction or functions, and (2) an estimate of the total amounts of new budget authority, and budget outlays resulting therefrom, to be provided or authorized in all bills and resolutions within its jurisdiction which it intends to be effective during that fiscal year.

(h) As soon as practicable after a concurrent resolution on the budget for any fiscal year is agreed to, each standing committee of the House (after consulting with the appropriate committee or committees of the Senate) shall subdivide any allocations made to it in the joint explanatory statement accompanying the conference report on such resolution, and promptly report such subdivisions to the House, in the manner provided by section 302 of the Congressional Budget Act of 1974.

(i) Each standing committee of the House which is directed in a concurrent resolution on the budget to determine and recommend changes in laws, bills, or resolutions under the reconciliation process shall promptly make such determinations and recommendations, and report a reconciliation bill or resolution (or both) to the House or submit such recommendations to the Committee on the Budget, in accordance with the Congressional Budget Act of 1974.

B. Rules of procedure for committees—Rule XI of the House

Clauses 1, 2, 3, 5, and 6 of Rule XI are set out below. Particular attention is invited to clause 2 and paragraph (k) thereof, as well as to clause 3 and paragraph (f) thereof.

IN GENERAL

1. (a)(1) The Rules of the House are the rules of its committees and subcommittees so far as applicable, except that a motion to recess from day to day is a motion of high privilege in committees and subcommittees.

(2) Each subcommittee of a committee is a part of that committee, and is subject to the authority and direction of that committee and to its rules so far as applicable.

(b) Each committee is authorized at any time to consider such investigations and studies as it may consider necessary or appropriate in the exercise of its responsibilities under Rule X, and (subject to the adoption of expense resolutions as required by clause 5) to incur expenses (including travel expenses) in connection therewith.

(c) Each committee is authorized to have printed and bound testimony and other data presented at hearings held by the committee. All costs of stenographic services and transcripts in connection with any meeting or hearing of a committee shall be paid from the contingent fund of the House.

(d) Each committee shall submit to the House, not later than January 2 of each odd-numbered year, a report on the activities of that committee under this rule and Rule X during the Congress ending at noon on January 3 of such year.

COMMITTEE RULES

Adoption of written rules

2. (a) Each standing committee of the House shall adopt written rules governing its procedure. Such rules—

(1) shall be adopted in a meeting which is open to the public unless the committee, in open session and with a quorum present, determines by rollcall vote that all or part of the meeting on that day is to be closed to the public.

(2) shall be not inconsistent with the Rules of the House or with those provisions of law having the force and effect of Rules of the House; and

(3) shall in any event incorporate all of the succeeding provisions of this clause to the extent applicable.

Each committee's rules specifying its regular meeting days, and any other rules of a committee which are in addition to

the provisions of this clause, shall be published in the Congressional Record not later than thirty days after the Congress convenes in each odd-numbered year. Each select or joint committee shall comply with the provisions of this paragraph unless specifically prohibited by law.

Regular meeting days

(b) Each standing committee of the House shall adopt regular meeting days, which shall be not less frequent than monthly, for the conduct of its business. Each such committee shall meet, for the consideration of any bill or resolution pending before the committee or for the transaction of other committee business, on all regular meeting days fixed by the committee, unless otherwise provided by written rule adopted by the committee.

Additional and special meetings

(c)(1) The chairman of each standing committee may call and convene, as he or she considers necessary, additional meetings of the committee for the consideration of any bill or resolution pending before the committee or for the conduct of other committee business. The committee shall meet for such purpose pursuant to that call of the chairman.

(2) If at least three members of any standing committee desire that a special meeting of the committee be called by the chairman, those members may file in the offices of the committee their written request to the chairman for that special meeting. Such request shall specify the measure or matter to be considered. Immediately upon the filing of the request, the clerk of the committee shall notify the chairman of the filing of the request. If, within three calendar days after the filing of the request, the chairman does not call the requested special meeting, to be held within seven calendar days after the filing of the request, a majority of the members of the committee may file in the offices of the committee their written notice that a special meeting of the committee will be held, specifying the date and hour of, and the measure or matter to be considered at, that special meeting. The committee shall meet on that date and hour. Immediately upon the filing of the notice, the clerk of the committee shall notify all members of the committee that such special meeting will be held and inform them of its date and hour and the measure or matter to be considered; and only the measure or matter specified in that notice may be considered at that special meeting.

Ranking majority Member to preside in absence of chairman

(d) If the chairman of any standing committee is not present at any meeting of the committee, the ranking member of the majority party on the committee who is present shall preside at that meeting.

Committee records

(e)(1) Each committee shall keep a complete record of all committee action which shall include a record of the votes on

any question on which a rollcall vote is demanded. The result of each such rollcall vote shall be made available by the committee for inspection by the public at reasonable times in the offices of the committee. Information so available for public inspection shall include a description of the amendment, motion, order or other proposition and the name of each Member voting for and each Member voting against such amendment, motion, order, or proposition, and whether by proxy or in person, and the names of those Members present but not voting.

(2) All committee hearings, records, data, charts, and files shall be kept separate and distinct from the congressional office records of the Member serving as chairman of the committee; and such records shall be the property of the House and all Members of the House shall have access thereto.

Proxies

(f) No vote by any Member of any committee or subcommittee with respect to any measure or matter may be cast by proxy unless such committee, by written rule adopted by the committee, permits voting by proxy and requires that the proxy authorization shall be in writing, shall assert that the Member is absent on official business or is otherwise unable to be present at the meeting of the committee, shall designate the person who is to execute the proxy authorization, and shall be limited to a specific measure or matter and any amendments or motions pertaining thereto; except that a member may authorize a general proxy only for motions to recess, adjourn or other procedural matters. Each proxy to be effective shall be signed by the Member assigning his or her vote and shall contain the date and time of day that the proxy is signed. Proxies may not be counted for a quorum.

Open meetings and hearings

(g)(1) Each meeting for the transaction of business, including the markup of legislation, of each standing committee or subcommittee thereof shall be open to the public except when the committee or subcommittee, in open session and with a quorum present, determines by rollcall vote that all or part of the remainder of the meeting on that day shall be closed to the public: *Provided, however,* That no person other than members of the committee and such congressional staff and such departmental representatives as they may authorize shall be present at any business or markup session which has been closed to the public. This paragraph does not apply to open committee hearings which are provided for by clause 4(a)(3) of Rule X or by subparagraph (2) of this paragraph, or to any meeting that relates solely to internal budget or personnel matters.

(2) Each hearing conducted by each committee or subcommittee thereof shall be open to the public except when the committee or subcommittee, in open session and with a quorum present, determines by rollcall vote that all or part of the remainder of that hearing on that day shall be closed to the public because disclosure of testimony, evidence, or

matters to be considered would endanger the national security or would violate any law or rule of the House of Representatives: *Provided, however,* That the committee or subcommittee may by the same procedure vote to close one subsequent day of hearing.

(3) Each committee of the House (except the Committee on Rules) shall make public announcement of the date, place and subject matter of any committee hearing at least one week before the commencement of the hearing. If the committee determines that there is good cause to begin the hearing sooner, it shall make the announcement at the earliest possible date. Any announcement made under this subparagraph shall be promptly published in the Daily Digest.

(4) Each committee shall, insofar as is practicable, require each witness who is to appear before it to file with the committee (in advance of his or her appearance) a written statement of the proposed testimony and to limit the oral presentation at such appearance to a brief summary of his or her argument.

(5) No point of order shall lie with respect to any measure reported by any committee on the ground that hearings on such measure were not conducted in accordance with the provisions of this clause; except that a point of order on that ground may be made by any member of the committee which reported the measure if, in the committee, such point of order was (A) timely made and (B) improperly overruled or not properly considered.

(6) The preceding provisions of this paragraph do not apply to the committee hearings which are provided for by clause 4(a)(1) of Rule X.

Quorum for taking testimony

(h) Each committee may fix the number of its members to constitute a quorum for taking testimony and receiving evidence, which shall be not less than two.

Prohibition against committee meetings during five-minute rule

(i) No committee of the House (except the Committee on Appropriations, the Committee on the Budget, and the Committee on Rules) may sit, without special leave, while the House is reading a measure for amendment under the five-minute rule.

Calling and interrogation of witnesses

(j)(1) Whenever any hearing is conducted by any committee upon any measure or matter, the minority party Members on the committee shall be entitled, upon request to the chairman by a majority of them before the completion of the hearing, to call witnesses selected by the minority to testify with respect to that measure or matter during at least one day of hearing thereon.

(2) Each committee shall apply the five-minute rule in the interrogation of witnesses in any hearing until such time as each Member of the committee who so desires has had an opportunity to question each witness.

Investigative hearing procedures

(k)(1) The chairman at an investigative hearing shall announce in an opening statement the subject of the investigation.

(2) A copy of the committee rules and this clause shall be made available to each witness.

(3) Witnesses at investigative hearings may be accompanied by their own counsel for the purpose of advising them concerning their constitutional rights.

(4) The chairman may punish breaches of order and decorum, and of professional ethics on the part of counsel, by censure and exclusion from the hearings; and the committee may cite the offender to the House for contempt.

(5) If the committee determines that evidence or testimony at an investigative hearing may tend to defame, degrade, or incriminate any person, it shall—

(A) receive such evidence or testimony in executive session;

(B) afford such person an opportunity voluntarily to appear as a witness; and

(C) receive and dispose of requests from such person to subpoena additional witnesses.

(6) Except as provided in subparagraph (5), the chairman shall receive and the committee shall dispose of requests to subpoena additional witnesses.

(7) No evidence or testimony taken in executive session may be released or used in public sessions without the consent of the committee.

(8) In the discretion of the committee, witnesses may submit brief and pertinent sworn statements in writing for inclusion in the record. The committee is the sole judge of the pertinency of testimony and evidence adduced at its hearing.

(9) A witness may obtain a transcript copy of his testimony given at a public session or, if given at an executive session, when authorized by the committee.

Committee procedures for reporting bills and resolutions

(l)(1)(A) It shall be the duty of the chairman of each committee (except as provided in subdivision (C)) to report or cause to be reported promptly to the House any measure approved by the committee and to take or cause to be taken necessary steps to bring the matter to a vote.

(B) In any event, the report of any committee on a measure which has been approved by the committee shall be filed within seven calendar days (exclusive of days on which the House is not in session) after the day on which there has been filed with the clerk of the committee a written request, signed by a majority of the members of the committee, for the reporting of that measure. Upon the filing of any such request, the clerk of the committee shall transmit immediately to the chairman of the committee notice of the filing of that request. This subdivision does not apply to the

reporting of a regular appropriation bill by the Committee on Appropriations prior to compliance with subdivision (C) and does not apply to a report of the Committee on Rules with respect to the rules, joint rules, or order of business of the House or to the reporting of a resolution of inquiry addressed to the head of an executive department.

(C) Before reporting the first regular appropriation bill for each fiscal year, the Committee on Appropriations shall, to the extent practicable and in accordance with section 307 of the Congressional Budget Act of 1974, complete subcommittee markup and full committee action on all regular appropriation bills for that year and submit to the House a summary report comparing the committee's recommendations with the appropriate levels of budget outlays and new budget authority as set forth in the most recently agreed to current resolution on the budget for that year.

(2)(A) No measure or recommendation shall be reported from any committee unless a majority of the committee was actually present.

(B) With respect to each rollcall vote on a motion to report any bill or resolution of a public character, the total number of votes cast for, and the total number of votes cast against, the reporting of such bill or resolution shall be included in the committee report.

(3) The report of any committee on a measure which has been approved by the committee (A) shall include the oversight findings and recommendations required pursuant to the last sentence of clause 2(b)(1) of Rule X separately set out and clearly identified; (B) the statement required by section 308(a) of the Congressional Budget Act of 1974, separately set out and clearly identified, if the measure provides new budget authority or new or increased tax expenditures; (C) the estimate and comparison prepared by the Director of the Congressional Budget Office under section 403 of such Act, separately set out and clearly identified, whenever the Director (if timely submitted prior to the filing of the report) has submitted such estimate and comparison to the committee; and (D) a summary of the oversight findings and recommendations made by the Committee on Government Operations under clause 2(b)(2) of Rule X separately set out and clearly identified whenever such findings and recommendations have been submitted to the legislative committee in a timely fashion to allow an opportunity to consider such findings and recommendations during the committee's deliberations on the measure.

(4) Each report of a committee on each bill or joint resolution of a public character reported by such committee shall contain a detailed analytical statement as to whether the enactment of such bill or joint resolution into law may have an inflationary impact on prices and costs in the operation of the national economy.

(5) If, at the time of approval of any measure or matter by any committee, other than the Committee on Rules, any member of the committee gives notice of intention to file supplemental, minority, or additional views, that member shall be entitled to not less than three calendar days (excluding Saturdays, Sundays, and legal holidays) in which to file such views, in writing and signed by that member, with the clerk of the committee. All such views so filed by one or more members of the committee shall be included within, and shall be a part of, the report filed by the committee with respect to that measure or matter. The report of the committee upon that measure or matter shall be printed in a single volume which—

(A) shall include all supplemental, minority, or additional views which have been submitted by the time of the filing of the report, and

(B) shall bear upon its cover a recital that any such supplemental, minority, or additional views (and any material submitted under subdivisions (C) and (D) of subparagraph (3)) are included as part of the report.

This subparagraph does not preclude—

(i) the immediate filing or printing of a committee report unless timely request for the opportunity to file supplemental, minority, or additional views has been made as provided by this subparagraph; or

(ii) the filing by any such committee of any supplemental report upon any measure or matter which may be required for the correction of any technical error in a previous report made by that committee upon that measure or matter.

(6) A measure or matter reported by any committee (except the Committee on Rules in the case of a resolution making in order the consideration of a bill, resolution, or other order of business), shall not be considered in the House until the third calendar day (or the tenth calendar day in the case of a concurrent resolution on the budget), excluding Saturdays, Sundays, and legal holidays following the day on which the report of that committee upon that measure or matter has been available to the Members of the House. If hearings have been held on any such measure or matter so reported, the committee reporting the measure or matter shall make every reasonable effort to have such hearings printed and available for distribution to the Members of the House prior to the consideration of such measure or matter in the House. This subparagraph shall not apply to—

(A) any measure for the declaration of war, or the declaration of a national emergency, by the Congress; or

(B) any executive decision, determination, or action which would become, or continue to be, effective unless disapproved or otherwise invalidated by one or both Houses of Congress.

(7) If, within seven calendar days after a measure has, by resolution, been made in order for consideration by the House, no motion has been offered that the House consider that measure, any member of the committee which reported that measure may be recognized in the discretion of the Speaker to offer a motion that the House shall consider that measure, if that committee has duly authorized that member to offer that motion.

Power to sit and act; subpena power

(m)(1) For the purpose of carrying out any of its functions and duties under this rule and Rule X (including any matters referred to it under clause 5 of Rule X), any committee, or any subcommittee thereof, is authorized (subject to subparagraph (2)(A) of this paragraph)—

(A) to sit and act at such times and places within the United States, whether the House is in session, has recessed, or has adjourned, and to hold such hearings, and

(B) to require, by subpena or otherwise, the attendance and testimony of such witnesses and the production of such books, records, correspondence, memorandums, papers, and documents

as it deems necessary. The chairman of the committee, or any member designated by such chairman, may administer oaths to any witness.

(2)(A) A subpena may be issued by a committee or subcommittee under subparagraph (1)(B) in the conduct of any investigation or activity or series of investigations or activities, only when authorized by a majority of the members of the committee, and authorized subpoenas shall be signed by the chairman of the committee or by any member designated by the committee.

(B) Compliance with any subpena issued by a committee or subcommittee under subparagraph (1)(B) may be enforced only as authorized or directed by the House.

Use of committee funds for travel

(n) Funds authorized for a committee under clause 5 are for expenses incurred in the committee's activities within the United States; however, local currencies owned by the United States shall be made available to the committee and its employees engaged in carrying out their official duties outside the United States. No appropriated funds shall be expended for the purpose of defraying expenses of members of the committee or its employees in any country where local currencies are available for this purpose; and the following conditions shall apply with respect to their use of such currencies:

(1) No Member or employee of the committee shall receive or expend local currencies for subsistence in any country at a rate in excess of the maximum per diem rate set forth in applicable Federal law.

(2) Each Member or employee of the committee shall make to the chairman of the committee an itemized report showing the number of days visited in each country whose local currencies were spent, the amount of per diem furnished, and the cost of transportation if furnished by public carrier, or, if such transportation is furnished by an agency of the United States Government, the cost of such transportation and the identification of the agency. All such individual reports shall be filed by the chairman with the Committee on House Administration and shall be open to public inspection.

BROADCASTING OF COMMITTEE HEARINGS

3. (a) It is the purpose of this clause to provide a means, in conformity with acceptable standards of dignity, propriety, and decorum, by which committee hearings, or committee meetings, which are open to the public may be covered, by television broadcast, radio broadcast, and still photography, or by any of such methods of coverage—

(1) for the education, enlightenment, and information of the general public, on the basis of accurate and impartial news coverage, regarding the operations, procedures, and practices of the House as a legislative and representative body and regarding the measures, public issues, and other matters before the House and its committees, the consideration thereof, and the action taken thereon; and

(2) for the development of the perspective and understanding of the general public with respect to the role and function of the House under the Constitution of the United States as an organ of the Federal Government.

(b) In addition, it is the intent of this clause that radio and television tapes and television film of any coverage under this clause shall not be used, or made available for use, as partisan political campaign material to promote or oppose the candidacy of any person for elective public office.

(c) It is, further, the intent of this clause that the general conduct of each meeting (whether of a hearing or otherwise) covered, under authority of this clause, by television broadcast, radio broadcast, and still photography, or by any of such methods of coverage, and the personal behavior of the committee members and staff, other Government officials and personnel, witnesses, television, radio, and press media personnel, and the general public at the hearing or other meeting shall be in strict conformity with and observance of the acceptable standards of dignity, propriety, courtesy, and decorum traditionally observed by the House in its operations and shall not be such as to—

(1) distort the objects and purposes of the hearing or other meeting or the activities of committee members in connection with that hearing or meeting or in connection with the general work of the committee or of the House; or

(2) cast discredit or dishonor on the House, the committee, or any Member or bring the House, the committee, or any Member into disrepute.

(d) The coverage of committee hearings and meetings by television broadcast, radio broadcast, or still photography is a privilege made available by the House and shall be permitted and conducted only in strict conformity with the purposes, provisions, and requirements of this clause.

(e) Whenever any hearing or meeting conducted by any committee of the House is open to the public, that committee may permit, by majority vote of the committee, that hearing or meeting to be covered, in whole or in part, by television broadcast, radio broadcast, and still photography, or by any of such methods of coverage, but only under such written rules as the committee may adopt in accordance with the purposes, provisions, and requirements of this clause.

(f) The written rules which may be adopted by a committee under paragraph (e) of this clause shall contain provisions to the following effect:

(1) If the television or radio coverage of the hearing or meeting is to be presented to the public as live coverage, that coverage shall be conducted and presented without commercial sponsorship.

(2) No witness served with a subpoena by the committee shall be required against his or her will to be photographed at any hearing or to give evidence or testimony while the broadcasting of that hearing, by radio or television, is being conducted. At the request of any such witness who does not wish to be subjected to radio, television, or still photography coverage, all lenses shall be covered and all microphones used for coverage turned off. This subparagraph is supplementary to clause 2(k)(5) of this rule, relating to the protection of the rights of witnesses.

(3) Not more than four television cameras, operating from fixed positions, shall be permitted in a hearing or meeting room. The allocation among the television media of the positions of the number of television cameras permitted in a hearing or meeting room shall be in accordance with fair and equitable procedures devised by the Executive Committee of the Radio and Television Correspondents' Galleries.

(4) Television cameras shall be placed so as not to obstruct in any way the space between any witness giving evidence or testimony and any Member of the committee or the visibility of that witness and that Member to each other.

(5) Television cameras shall not be placed in positions which obstruct unnecessarily the coverage of the hearing or meeting by the other media.

(6) Equipment necessary for coverage by the television and radio media shall not be installed in, or removed from, the hearing or meeting room while the committee is in session.

(7) Floodlights, spotlights, strobelights, and flashguns shall not be used in providing any method of coverage of the hearing or meeting, except that the television media may install additional lighting in the hearing or meeting room, without

cost to the Government, in order to raise the ambient lighting level in the hearing or meeting room to the lowest level necessary to provide adequate television coverage of the hearing or meeting at the then current state of the art of television coverage.

(8) Not more than five press photographers shall be permitted to cover a hearing or meeting by still photography. In the selection of these photographers, preference shall be given to photographers from Associated Press Photos and United Press International Newspictures. If request is made by more than five of the media for coverage of the hearing or meeting by still photography, that coverage shall be made on the basis of a fair and equitable pool arrangement devised by the Standing Committee of Press Photographers.

(9) Photographers shall not position themselves, at any time during the course of the hearing or meeting, between the witness table and the Members of the committee.

(10) Photographers shall not place themselves in positions which obstruct unnecessarily the coverage of the hearing by the other media.

(11) Personnel providing coverage by the television and radio media shall be then currently accredited to the Radio and Television Correspondents' Galleries.

(12) Personnel providing coverage by still photography shall be then currently accredited to the Press Photographers' Gallery.

(13) Personnel providing coverage by the television and radio media and by still photography shall conduct themselves and their coverage activities in an orderly and unobtrusive manner.

(b) After the date of adoption by the House of any such primary expense resolution for any such standing committee for any year, authorization for the payment from the contingent fund of additional expenses of such committee in that year, other than those expenses to be paid from appropriations provided by statute, may be procured by one or more additional expense resolutions for that committee, as necessary. Any such additional expense resolution reported to the House shall not be considered in the House unless a printed report on that resolution has been available to the Members of the House for at least one calendar day prior to the consideration of that resolution in the House. (2) state the reason or reasons for the failure to procure the additional funds for the committee by means of the primary expense resolution.

(c) The preceding provisions of this clause do not apply to—

(1) any resolution providing for the payment from the contingent fund of the House of sums necessary to pay compensation for staff services performed for, or to pay other expenses of, any standing committee at any time from and after the beginning of any year and before the date of adoption by the House of the primary expense resolution providing funds to pay the expenses of that committee for that year; or

(2) any resolution providing in any Congress, for all of the standing committees of the House, additional office equipment, airmail and special delivery postage stamps, supplies, staff personnel, or any other specific item for the operation of the standing committees, and containing an authorization for the payment from the contingent fund of the House of the expenses of any foregoing items provided by that resolution, subject to and until enactment of the provisions of the resolution as permanent law.

If the committee determines that the character and qualifications of any person so selected are unacceptable to the committee, a majority of the minority party members may select other persons for appointment by the committee to the professional staff until such appointment is made. Each professional staff member appointed under this subparagraph shall be assigned to such committee business as the minority party members of the committee consider advisable.

(3) The professional staff members of each standing committee—

(A) shall be appointed on a permanent basis, without regard to race, creed, sex, or age, and solely on the basis of fitness to perform the duties of their respective positions;

(C) shall not be assigned any duties other than those pertaining to committee business.

(4) Services of the professional staff members of each standing committee may be terminated by majority vote of the committee.

(5) The foregoing provisions of this paragraph do not apply to the Committee on Appropriations and to the Committee on the Budget.

(b)(1) The clerical staff of each standing committee shall consist of not more than twelve clerks, to be attached to the office of the chairman, to the ranking minority party member, and to the professional staff, as the committee considers advisable. Subject to subparagraph (2) of this paragraph and paragraph (f) of this clause, the clerical staff shall be appointed by majority vote of the committee, without regard to race, creed, sex, or age. Except as provided by subparagraph (2) of this paragraph, the clerical staff shall handle committee correspondence and stenographic work both for the committee staff and for the chairman and the ranking minority party member on matters related to committee work.

(2) Subject to paragraph (f) of this clause, whenever a majority of the minority party members of a standing committee (except the Committee on Standards of Official Conduct) so request, four persons may be selected, by majority vote of the minority party members, for appointment by the committee to positions on the clerical staff from among the number of clerks authorized by subparagraph (1) of this paragraph. (d) Subject to appropriations hereby authorized, the Committee on Appropriations and the Committee on the Budget may appoint such staff, in addition to the clerk thereof and assistants for the minority, as it determines by majority vote to be necessary, such personnel, other than minority assistants, to possess such qualifications as the committee may prescribe.

(e) No committee shall appoint to its staff any experts or other personnel detailed or assigned from any department or agency of the Government, except with the written permission of the Committee on House Administration.

(f) If a request for the appointment of a minority professional staff member under paragraph (a), or a minority clerical staff member under paragraph (b), is made when no vacancy exists to which that appointment may be made, the committee nevertheless shall appoint, under paragraph (a) or paragraph (b), as applicable, the person selected by the minority and acceptable to the committee. The person so appointed shall serve as an additional member of the professional staff or the clerical staff, as the case may be, of the committee, and shall be paid from the contingent fund, until such a vacancy (other than a vacancy in the position of head of the professional staff, by whatever title designated) occurs, at which time that person shall be deemed to have been appointed to that vacancy.
