NOTE OF TELEPHONE CALL

David Lissey and Judy Hope called. Re the recommended telephone calls that Secretary Coleman had wanted the President to make to the labor/union leaders, they reported that Lissey had been in touch with Usery's office. Usery does not recommend the President make the phone calls. Hope reported, however, that Coleman still does recommend the calls be made by the President.

However, it has been agreed by all parties that there should be a hold until Monday when Usery will get back to town and he and Coleman can discuss the issue. Therefore, there is no need for the President to do anything on this matter this weekend.
