MEMORANDUM FOR: JIM CANNON

FROM: MAX FRINDERSDORF

SUBJECT: National Airlines

We have received calls this afternoon from Congressmen Bill Young and Paul Rogers, both of Florida, urging the President have Bill Usery step into the fray to keep National Airlines from going on strike this Sunday.

Both Members, being from Florida, rely heavily on that airline to commute back and forth from their Districts to Washington, as do many others.

Are there any plans to have Usery mediate?

MEMORANDUM FOR: JIM CANNON  
FROM: JACK MARSH  
SUBJECT: National Airlines Strike

Because of the number of Congressional inquiries we have had concerning the intervention of Usery in the National Airlines strike, do you have any guidance for us or a statement that we can get back to the Members with indicating the position we should take in response to their requests?

If so, Max's people can touch base with those who have been in touch with us.

Many thanks.

MEMORANDUM FOR: MAX FRIEDERSDORF  
FROM: JACK MARSH  
SUBJECT: National Airlines Strike

In reference to the National Airlines strike, there have been a number of Congressional inquires concerning the same. A procedure has been worked out to handle this, whereby the matter goes through certain stages and apparently the use of Bill Usery at this time is premature.

My thought is we should get a list of all the Members who have expressed an interest in this and send a similar letter to each of them explaining our position. I have asked Jim Cannon to give me an update on that position.
