DEPARTMENT OF TRANSPORTATION

B - U.S. COAST GUARD

<u>TITLE AND LEVEL</u>	<u>NAME</u>
1- <u>Commandant</u> Admiral PAS	Owen W. Siler
2- <u>Vice Commandant</u> Vice Admiral PAS	Ellis L. Perry
3- <u>Commander Pacific Area</u> Vice Admiral PAS	Austin C. Wagner
4- <u>Commander Atlantic Area</u> Vice Admiral PAS	William F. Rea, III

**DEPARTMENT OF TRANSPORTATION
U.S. COAST GUARD ORGANIZATION**

UNITED STATES COAST GUARD

COMMANDANT

Admiral

Administers the Service in an economical and efficient manner and advises and assists the Secretary of Transportation in matters pertinent to the Coast Guard and its functions. Maintains liaison with public and private agencies concerned with Coast Guard functions and operations.

Under the general supervision of the Secretary of Transportation, the Commandant shall:

Prescribe broad policies for the government of the Service and generally direct, supervise and coordinate Service endeavor and performance.

Guide the legislative programs of the Service and require compliance with the statutory obligations and requirements imposed upon it.

Serve as the principal advisor to the Secretary regarding Service matters.

Establish and maintain effective liaison and regulations with other agencies of the Federal Government and with the public in general.

Serve on interdepartmental or international bodies concerned with matters in which the Department and the Coast Guard have a substantial interest.

Keep informed of the approved policies and programs of the Secretary at all times in order to insure Departmental uniformity of decision and continuity of action.

Legislative Authority: 14 USC 44

11-19-76

UNITED STATES COAST GUARD

VICE COMMANDANT

Vice Admiral

Assists the Commandant, as directed, in the general administration of Service and acts as Commandant in his absence.

Under the general supervision of the Commandant, the Vice Commandant shall:

Keep informed of the approved policies and programs of the Commandant.

Take action on matters submitted to the Commandant which do not require the personal attention of that officer, and recommend a course of action when the Commandant's review and/or approval is required.

Maintain, through the Chief of Staff, an effective coordination of the activities of the several components of organization at Headquarters.

Take appropriate action on appeals from actions or decisions of the Chief of Staff that may be entered by Chiefs of Headquarters Offices.

Legislative Authority: 14 USC 47

11-19-76

UNITED STATES COAST GUARD

AREA COMMANDER PACIFIC

Vice Admiral

Coordinates or directs emergency or contingency operations within Area where a multi-district effort is required; Manages continuing operational and support activities which traverse district boundaries. Administers an Area-wide inspection and improvement system.

Under the general direction of the Commandant, the Commander Atlantic Area and Commander Pacific Area shall serve as the intermediate echelon of command between the Commandant and intra-Area district commanders with responsibilities for:

Continuing operational control over ocean stations, polar icebreakers, long-range aircraft on inter-district missions, the Area communications system, National Strike Force Teams (response to pollution incidents), the Automated Mutual Assistance Vessel Reporting System and marine science activities.

Redeploying temporarily -- and coordinating or controlling -- personnel and facilities within the Area to meet emergent or contingent operational situations (primary search and rescue, law enforcement on the high seas, and environmental protection).

Directing a comprehensive inspection program within Area boundaries (covering HQ units and district offices as well as district operational units).

Providing support for the preceding functions in the form of planning, training, evaluation and improvement.

Legislative Authority: 14 USC 50

11-19-76

UNITED STATES COAST GUARD

AREA COMMANDER ATLANTIC

Vice Admiral

Coordinates or directs emergency or contingency operations within Area where a multi-district effort is required; Manages continuing operational and support activities which traverse district boundaries. Administers an Area-wide inspection and improvement system.

Under the general direction of the Commandant, the Commander Atlantic Area and Commander Pacific Area shall serve as the intermediate echelon of command between the Commandant and intra-Area district commanders with responsibilities for:

Continuing operational control over ocean stations, polar icebreakers, long-range aircraft on inter-district missions, the Area communications system, National Strike Force Teams (response to pollution incidents), the Automated Mutual Assistance Vessel Reporting System and marine science activities.

Redeploying temporarily -- and coordinating or controlling -- personnel and facilities within the Area to meet emergent or contingent operational situations (primary search and rescue, law enforcement on the high seas, and environmental protection).

Directing a comprehensive inspection program within Area boundaries (covering HQ units and district offices as well as district operational units).

Providing support for the preceding functions in the form of planning, training, evaluation and improvement.

DEPARTMENT OF TRANSPORTATION
FEDERAL AVIATION ADMINISTRATION

ADMINISTRATOR
FEDERAL AVIATION ADMINISTRATION

Executive Level II

Directs and controls the operations of the Federal Aviation Administration and acts as principal adviser to the Secretary and Deputy Secretary of Transportation on civil aviation matters and air transportation.

The Federal Aviation Administration is responsible for: promulgating and enforcing regulations on all safety matters relating to the manufacture, operation, and maintenance of aircraft; registering aircraft and recording rights in aircraft; developing, modifying, testing, and evaluating systems, procedures, facilities, and devices needed for the safe and efficient navigation and traffic control of aircraft; locating, constructing or installing, maintaining, and operating Federal aids to air navigation, wherever necessary; developing air traffic regulations, and administering air traffic control of civil and military air operations within U.S. airspace; providing grants-in-aid for developing public airports; and promoting and encouraging civil aviation abroad through technical aviation assistance to other governments.

Legislative Authority: Public Law 89-670 Department of Transportation Act, dated October 15, 1966 Sect. 3 (e) (1) (2); Sect. 10 (d) (2)

(Note: Restrictions on qualification 49 USC 1341)

SPECIAL ASSISTANT

TO

THE ADMINISTRATOR

GS-0301-14

The Special Assistant serves as a personal and confidential assistant undertaking assignments designed to relieve the Administrator of a volume of time-consuming but important and technical matters associated with and necessary to the review of problems referred to him for consideration and decision.

Legislative Authority: Title 5 USC Chap 1 Part 213.3394(h)(2)

DEPUTY ADMINISTRATOR
FEDERAL AVIATION ADMINISTRATOR

Executive Level IV

The Deputy Administrator assists the Administrator in the discharge of his responsibility with authority to act for him in all matters not reserved to the Administrator by law, order, or instruction of the Administrator.

Legislative Authority: Public Law 89-670 Department of Transportation Act, dated October 15, 1966 Sect. 3 (e) (1) (2); Sect. 10 (d) (4)

(Note: Restrictions on qualifications 49 USC 1342)

11-19-76

CHIEF COUNSEL

GS-905-18

The Chief Counsel for the Federal Aviation Administration is responsible for directing the performance of all legal work of the administration, which includes promulgation and administration of the administration's basic enforcement policies and precedures; preparation for the prosecution or defense of litigation involving the administration: legal phases of the work associated with the promulgation of air safety standards, rules and regulations; enforcement of the laws, rules, and regulations administered by the administration; legal aspects of the administration's legislative program; provision of legal guidance in the execution of the administration's facilities procurement and research and development contracting programs; legal assistance in the execution of the Federal-Aid Airports Program under the Federal Airport Act; provision of legal counsel with respect to the administration's international aviation programs; legal services in the establishment and maintenance of interagency agreements and relationships; and all legal phases deriving from the Administrator's responsibility for the control of airspace.

Legislative Authority: 5 USC 5108 CSC Quota Space 110

11-19-76

ASSISTANT ADMINISTRATOR FOR GENERAL AVIATION

GS-301-16

The incumbent advises and assists the Administrator and the Deputy Administrator in the exercise and performance of their statutory responsibilities in the promotion, encouragement and development of civil aeronautics as these relate to General Aviation. Fosters understanding of the mission and activities, of the FAA by state and local government officials, and by organizations, education institutions and associates concerned with aviation. Advises the Administrator, Deputy Administrator, headquarters elements, and regional offices of views of these groups toward FAA policies and programs and of General Aviation problems.

There is substantial interest by the Congress, organizations, the general aviation industry, and the private flying public. The issues faced by the incumbent on behalf of the FAA are sensitive and critical.

He develops and executes programs which stimulate interest in and support for civil aviation and aviation facilities among Federal, state, and local officials; educational institutions; civic and service clubs; and business, professional and industrial organizations.

Legislative Authority: 5 USC 5108 CSC Quota Space 1117

11-19-76

ASSISTANT ADMINISTRATOR FOR PUBLIC AFFAIRS

GS-1081-16

The Assistant Administrator for Public Affairs directs and is responsible for the mission of the Office of Public Affairs which is to initiate and participate in the execution of coordinated plans and programs to ensure that major programs, policies, objectives and achievement of the FAA are effectively presented to the public, the aviation community and FAA employees.
