PLACE CARDS: The Prime Minister of Japan

Mrs. Miki

PRONUNCIATION: MEE-kee

NAME OF COUNTRY: JAPAN

LANGUAGE: JAPANESE. The Prime Minister and Mrs. Miki speak very little English.

RELIGION: Buddhist

DIET: No dietary restrictions, but see attached.

BEVERAGES: See attached.

SMOKING: The Prime Minister smokes only Kent filters. Mrs. Miki does not smoke.

TOASTS: The First Toast should be made by the host to:
THE EMPEROR OF JAPAN.

The Response Toast should be made to:
THE PRESIDENT OF THE UNITED STATES

Subsequent toasts, if any, may be made in declining order of precedence.

NATIONAL ANTHEMS: It is not recommended that the National Anthems of the United States and the visitor be played unless the sponsoring organization is confident that the orchestra is able to play them very well. It is not necessary to play the Anthems at strictly social functions or at formal luncheons and dinners, as awkward situations and inconveniences may result. It is not the custom in Washington, D.C. to play the National Anthems at State Dinners or Luncheons. When the Anthems are played at events, it is customary to play the Anthem of the visitor's country first, then the National Anthem of the United States.

FLAGS: When the flags of the United States and the visitor's country are used, consider the area where the flags are to be placed as a stage or focal point, then place the flag of the United States on the left as viewed from the audience, and the visitor's flag on the right.

PRIME MINISTER AND MRS. MIKI'S
PREFERENCES ON FOOD AND DRINK

I. Prime Minister:

He also enjoys mussels, including soft "ear shells."
- C. Western food: The Prime Minister prefers thinly-cut and smaller portions of meat rather than large steaks.
