Re the Felt Forum, recommends no message be sent. The President never sends messages in Spanish, particularly since it is a language he does not speak. Message seems inappropriate, and apt to "fall flat" with Mrs. Carter actually participating. It would seem more appropriate to have WH Staff representation there.

Mr. Maduro made this trip at the last moment, when the Hispanic/Catholic Group made known their feeling that nothing less than a White House Representative could counter the presence of Mrs. Rosalynn Carter. Therefore, the after-the-fact travel request.
