MEMORANDUM FOR           GENERAL SCOWCROFT  
FROM                       DR. MARRS

It has been called to my attention by German friends that the good relations between the U.S. and German Federal Republic have not been emphasized by an invitation to their Federal President since mid-fifties. The difference between Chancellor and Federal Presidential roles is understood. Possibly such a visit should be in conjunction with von Steuben Day in Philadelphia.

MEMORANDUM FOR: THEODORE MARRS  
FROM: BRENT SCOWCROFT   
SUBJECT: Possible Invitation to FRG  
President Scheel

Your memorandum of October 29 suggesting an invitation to FRG President Scheel to visit the U.S. is very much appreciated. As you know, the President's foreign visitors' schedule for the remainder of 1974 is very heavy, including a meeting with Chancellor Schmidt on December 5. However, we will be mindful of your suggestion as we look ahead to 1975 and hope to be able to fulfill it.
