SUBJECT: REVENUE SHARING PAYMENTS

Attached are three charts on revenue sharing payments: 1) the total amount of assistance the recipients have received to date, 2) the total number of eligible governments (including Indian tribes and Alaskan native villages), and 3) the state-by-state analysis of calendar year 1975 payments.

In discussing these charts, make note of the following facts: 1) All payments are distributed according to a statutory formula, 2) payments are made at the end of each quarter (there have been 14 payments made since the first one, on December 11, 1972, to the last one, made January 5, 1976, and 3) recipients do not necessarily receive the same flat amount each quarter.
