John--

Sometime when it fits in will you ask the President his position on "Project Seafarer?"

Here-'s the background:

Tom Hennesy (313) 222-7819 of Detroit News asks 1) What is the President's position, and 2), if it is favorable, does he favor building it in Michigan?

I checked Greener and Margaret Earl and they say no public ~~position~~ position has been stated. Greener says it is a Navy matter; no decisions have been made, and it will require Congressional approval.

I get back to Hennesy and he says the President told a ~~Michigan~~ Michigan Congressman a year ago that he (the President) favored ~~the~~ the project. Hennesy wrote this and it was never refuted.

He wants to know the current position. Help when you can.

Larry
