

The original documents are located in Box 122, folder “Geneva Protocol” of the Ron Nessen Papers at the Gerald R. Ford Presidential Library.

Copyright Notice

The copyright law of the United States (Title 17, United States Code) governs the making of photocopies or other reproductions of copyrighted material. Ron Nessen donated to the United States of America his copyrights in all of his unpublished writings in National Archives collections. Works prepared by U.S. Government employees as part of their official duties are in the public domain. The copyrights to materials written by other individuals or organizations are presumed to remain with them. If you think any of the information displayed in the PDF is subject to a valid copyright claim, please contact the Gerald R. Ford Presidential Library.

1. ~~Do you have any comment on the action of the~~
~~Committee recommending approval of the 1925 Geneva Protocol and~~
~~the Biological Weapons Conventions?~~

Guidance: We are, of course, pleased by the committee's action and we hope the full Senate will soon vote its approval of these two important conventions. (you should refer any detailed questions to Dr. Ikle's testimony before the Senate Foreign Relations Committee last Tuesday.)
