ISSUES BREWING

Supplemental Security Income Amendments (HR 8911) scheduled for House floor consideration 8/30/76.

Economic Development Administration (HR 9398) scheduled for House floor consideration 8/30/76. The bill provides a 3-year extension of the Act as requested by the Administration; however, it does contain objectionable changes, i.e., expanded urban program authorities.

Estate and Gift Tax Reform (HR 14844) scheduled for House floor consideration 8/30/76. Basically supported by the Administration with the exception of generation skipping trust and carry-over basis provisions.

New River Bill (S 3084) has been tentatively scheduled for Senate floor consideration 8/30/76.

D.C. Appropriations Bill (HR 15193) has been tentatively scheduled for Senate floor consideration 8/30/76.

Senate Finance Committee mark-up on Revenue Sharing Bill 8/30/76.

Estate and Gift Tax Reform (HR 14844) scheduled votes on amendments and bill in House 8/31/76.

Law Enforcement Assistance Administration (HR 13636) is scheduled for House floor consideration 8/31/76. This bill contains a 1 year $800 million re-authorization for LEAA while the Administration has requested a $6.8 billion 5 year re-authorization. The bill would also require an annual authorization of all programs in the Department of Justice beginning in fiscal year 1979.

Clean Air Act Amendments (HR 10498, S 3219). Passed Senate 8/5/76 with vote of 79-5. Has been scheduled for House floor consideration 8/31/76. The Administration opposes HR 19498 as reported.

House-Senate Conference will meet on Defense Appropriations 8/31/76. $104 billion measure; B-1 bomber provision yet to be settled.

House Committee on International Relations will meet for mark-up of the Export Administration Act 8/31/76. (Contains Arab-boycott provision).

Tax Reform Act (HR 19612) still in conference.
Rail Passenger Service Act Authorization (HR 1-60) is tentatively scheduled for Senate floor consideration 9/1/76.

Legislative Appropriations is tentatively scheduled for Senate floor consideration 8/31/76, and will probably be considered in House either 9/1/76 or 9/2/76.

Water Pollution Control Act (S 3037) is tentatively scheduled for Senate floor consideration 8/31/76. This bill authorizes $5 billion for construction grants while the Administration's version proposed no new budget authority for this purpose.

Foreign Assistance Appropriation Bill: $53 billion to fund U.S. Economic and Military Assistance Program in 1977. Has been tentatively scheduled in House for floor consideration September 13. Has October deadline.

Outer Continental Shelf Legislation: (HR 6218, S 521). Passed Senate a year ago 7/30/75; passed House 7/21/76. Conference has not yet been scheduled.

Defense Supplemental request sent to Congress 8/23/76. Message includes a request for restoration of $2.3 billion in funds cut out of Defense budget. Awaiting Congressional reaction.

Labor-HEW Appropriations (HR 14232) further conference agreed to by both House and Senate because of disagreement over Senate Hyde Amendment 68, relating to use of funds for abortions.

ISSUES BREWING

Scheduled for House Floor Consideration 9/29:

Special Unemployment Assistance Extension (HR 14970)
  The Administration supports this bill

Omnibus Rivers and Harbors (HR 15636)
  Reported bill not yet available

Exclusive Territorial Franchises (HR 6684)

Schedule for Senate Floor Consideration 9/29:

Water Resources Development Act/Omnibus Rivers and Harbors (S 3823)

Higher Education Amendments (Conference Report) (S 2657)

Civil Rights Attorneys Fees (S 2278)

House Floor Schedule for 9/30 and balance of seek:

Peanut Bill (HR 12808) Generally supported by Administration

Clinical Laboratory Improvement (HR 14319)
  This Bill would expand Federal regulatory jurisdiction
to many office laboratories of physicians, dentists,
etc., a traditional responsibility of state and local
governments. The Administration does not support this
bill.

Component Parts of Ammunition Tax (HR 9067)
  Contains provision requiring funds apportioned to states
under Section 4(b) of Federal Aid in Wildlife Restoration
Act be available solely for Hunter Education or public
target ranges. The Administration opposes the restriction
of such funds, but otherwise does not object to this bill.

National Stockpile Disposal (HR 15081)

Congressman Hinshaw Resolution (HR 1392)

Outer Continental Shelf (S 521) Has been sent back to conference
committee 9/28
Public Works and Economic Development (S 2228)
Conference reports now pending in House and Senate. Bill is expected to be sent to the President before the end of session. It authorizes $4.2 billion to finance the Public Works Programs through September 30, 1979.

Public Works Employment Appropriations (HR 15194)
Now before the President.

Foreign Aid Appropriations (Conf. Rep.) (HR 14260)
Received final congressional approval in Senate 9/28 with vote of 56-24. The $5.1 billion measure was approved by the House 9/27 with a vote of 216-155. The foreign aid appropriation is $584 million below the President's request. Bill is now awaiting presidential action.
