NOTICE TO THE PRESS

HOSPITAL BULLETIN #12 - October 9, 1974 6:00 PM

Dr. William Fouty, National Naval Medical Center at Bethesda reports that Mrs. Ford is continuing her excellent recovery from surgery. Dr. Fouty reports that Mrs. Ford is looking forward to returning home soon, but no date has been set for her release from the hospital.

Dr. Fouty says that Mrs. Ford has been up -- and very active -- all day, and that her spirits and condition continue to be excellent. Dr. Fouty says, "We are very pleased with her recuperation."
