Andrews to South Carolina

AF One took off at 7:58 am, two minutes early. Guests aboard were Commerce Secretary and Mrs. Frederick B. Dent, Senator and Mrs. Strom Thurmond (R. S.Car.), and Sen. Jesse A. Helms (R., N.Car.). Staff included Robert Hartman, Dean Burch, Dick ~~Cheney~~ Cheney, Dr. Wm. Lukash and Ron Nessen.

Nessen said all stops are political, except the newspaper plant dedication in Anderson, which is bi-partisan. He said Marshall Parker, GOP Cong. candidate in 3rd district, wanted it this way rather than a campaign rally.

Asked for comment on Rockefeller's taxes, Nessen said "We're working on that."
