

MEMORANDUM

F

THE WHITE HOUSE
WASHINGTON

October 31, 1974

MEMORANDUM FOR: RON NESSEN
FROM: BOB MEAD *BM*
SUBJECT: Harry Reasoner Interview

Al Primo, executive producer of the Reasoner Report has assured me nothing will be aired on that ABC program, November 16th which will be detrimental to the image of the Presidency.

I took a look at the complete transcript and feel there is nothing in it which would date the film.
