

NOVEMBER 4, 1974

Office of the White House Press Secretary

---

NOTICE TO THE PRESS

Participants in the 2:00 p.m. meeting with the President were

Brian Molloy  
Brian's parents, Mr. and Mrs. Molloy  
Paul E. Funk, Executive Vice President of the Epilepsy  
Foundation

The Poster Child is 12 year old Brian Molloy from the Bronx, New York. While Brian has had epilepsy since birth, he is an energetic child who does not let his affliction dominate his life. He is in the sixth grade and interested in ecology, sports and his future. A baseball "little league" participant, he is considered by his coaches and teammates to be a scrappy competitor.
