OFFICE OF THE WHITE HOUSE PRESS SECRETARY
(Camp Casey, South Korea)

THE WHITE HOUSE

REMARKS OF THE PRESIDENT
AT
INDIANHEAD FIELD

12:53 P.M. SOUTH KOREA TIME

Let me just make one or two observations and comments.

As Commander-in-Chief, I am very proud of this great Division. I am very impressed with the people that I have met and the exhibition that I have seen. This is the kind of strong, vigorous American spirit that has made America in 197 years a country in which all of us have tremendous pride.

We are proud of you. We know you can do the job. Thank you on behalf of 213 million other Americans who have their hearts and their faith and their best wishes with you.

Thank you very, very much.
