NOTICE TO THE PRESS

On page 4 of the transcript of yesterday's press conference by Henry Kissinger, several words were omitted in the 7th paragraph. The sentence should read as follows:

I have the impression that we should stop talking about Franco-American relations in terms of confrontation and who is taking advantage of whom, but rather in terms of practical cooperation in which the actions of the two parties will be more important than the legal form and that is our attitude and it is our impression that was the French attitude at this meeting.

The underlined words are the ones omitted from the transcript.
