

POOL REPORT FROM PRESIDENT GORE SKIING 12/30/74

President arrived at gondola number two//...licensed... about 10:45. He was riding in jeep wagon and accompanied by secret service and ski patrol. Also his skiing partners for the day...Mrs. James Brown of Utah and Sheila Greenhammer, wife of Pops and you all know who he is.

President wearing a mixture of ski wardrobe...orange parka... red-white-blue stocking cap and brown pants and red boots.

He talked briefly with pool ...said he had vetoed a couple bills but we would have to get this information from Ron.

As he walked to gondola a kid came up to him and asked for an autograph. The President signed "Jerry Ford" on the kid's ski lift pass. The kid's name...David Deline of Midland, Michigan. He is 14 years old.

Deline told pool he planned to keep the autographed lift pass.

President finally made it into gondola #59...yellow... about 10:50. Before departing President asked the pool photographers if Frank Johnston (Washington Post fess) had gone home. He was told Johnston was on special ski assignment.
